**1 ACCOUNTING POLICIES**

**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

**Turnover**

Turnover represents net invoiced sales of services, excluding value added tax

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life

Plant and machinery etc - 25% on reducing balance

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more, or a right to pay less, tax in the future have occurred at the balance sheet date

This is subject to deferred tax assets only being recognised if it is considered more likely than not that there will be suitable profits from which the future reversal of the underlying timing differences can be deducted

Timing differences are differences arising between the Company's taxable profits and its results as stated in the financial statements, which are capable of reversal in one or more subsequent periods
