

AHAD MEDICAL SERVICES LIMITED

Company Number 4205671

Solvency statement by the Director

I have made full enquiry into the affairs and prospects of the company, and I have formed the opinion:

- a) as regard to its initial position immediately following the date on which the reduction of share capital is proposed to be made, that there will be no grounds on which the company could then be found to be unable to pay its debts, and
- b) as regards its prospects for the year immediately following that date, having regard to our intentions with respect to the management of the company's business during that year and to the amount and character of the financial resources which will in our view be available during that year, the company will be able to continue to carry on business as a going concern (and will accordingly be able to pay its debts as they fall due) throughout that year.
