**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 DECEMBER 2021**

Accounting policies (continued)

1.1 General information and basis of preparation of financial statements

The Company is incorporated in England & Wales under the Companies Act 1985.

The Company is a private company limited by shares and is registered in England and Wales. The address of the registered office is given on the Company Information page.

The financial statements are prepared in Sterling, which is the functional currency of the entity.

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 Section 1A, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and the Companies Act 2006.

The Company has taken advantage of section 390(3)(b) of the Companies Act 2006 in preparing these financial statements to 30 December 2021 which is within seven days of the Company's 23 December 2021 accounting reference year end.

1.2 Provisions for liabilities and charges

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle that obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

1.3 Disclosure exemptions

The Company is a qualifying entity under FRS 102 and it is taking advantage of some of the disclosure exemptions available to such entities in its financial statements. As such, the financial statements do not include a Cash Flow Statement, a note on financial instruments and a reconciliation of number of shares outstanding. Further details can be found in note 8 about the name of the immediate parent company of the Company and details of where the consolidated financial statements of that parent can be obtained.

2. Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described in note 1, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of the revision and future years if the revision affects both current and future years.

Critical accounting judgements in applying the accounting policies

The following are the critical judgements that the directors have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements:

Tax liability

In estimating the potential tax liability relating to the First-tier Tax Tribunal (refer to note 5), the following key elements as set out in the Tribunal decision were taken into account in calculating the Film Production partnerships' revised profits or losses: treatment of operator and executive producer fees, deductibility of contracted film cost, recognition of film income and the calculation of net realisable values. These reduce the income and expenditure recognised by the Film Production partnerships which reduces both the losses available to be utilised and the profits taxed on the group.

Impairment of investments

Assets, other than those measured at fair value, are assessed for indicators of impairment at each balance sheet date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss as described below.

Financial assets

For financial assets carried at cost less impairment, the impairment loss is the reduction in the asset's carrying amount to the best estimate of the amount that would be received for the asset if it were to be sold at the reporting date.

Where indicators exist for a decrease in impairment loss, and the decrease can be related objectively to an event occurring after the impairment was recognised, the prior impairment loss is tested to determine reversal. An impairment loss is reversed on an individual impaired financial asset to the extent that the revised recoverable value does not lead to a revised carrying amount higher than the carrying value had no impairment been recognised.

3. Staff costs

The Company incurred no staff costs nor paid any remuneration to its directors during the year (year ended 30 December 2020: £nil). The Company had no employees during the current and prior year. The emoluments of the directors were paid and borne by other Group undertakings and none of their remuneration was specifically attributable to their services to the Company.

7. Related party transactions

The financial statements do not include disclosure of transactions between the Company and entities that are wholly-owned by the Group. This is because, as a subsidiary whose shares are wholly-controlled by the Group, it is exempt from the requirement to disclose such transactions, under FRS 102 Section 33.

Goldwoodshire Limited (registered in England & Wales) acts as operator of the Partnership. N A Forster and D M Reid were also directors of Goldwoodshire Limited during the year. The Company and Goldwoodshire Limited are wholly-owned subsidiaries of Freeshire Limited, which is itself a wholly-owned subsidiary of the Group.

8. Ultimate Parent Undertaking and Controlling Party

During the year ended 30 December 2021 the Company was a wholly-owned subsidiary of Freeshire Limited, a company registered in England and Wales. Freeshire Limited is a wholly-owned subsidiary within the Group. Fernlakes Limited is the only parent undertaking for which group accounts are prepared.

The consolidated financial statements of Fernlakes Limited can be obtained from Companies House, Crown Way, Maindy, Cardiff, CF14 3UZ.

The controlling shareholder of Fernlakes Limited is P A McKenna.
