CONDUCT OF THE ADMINISTRATION

Realisation of assets / Sale of business

On our appointment, the Company owned five plots of greenbelt land at Westthorpe Park, Marlow ("the Land") consisting of approximately 73 acres, and a residential property in Marlow ("the Property"), with an option to acquire the adjacent property.

Land

As noted previously, the sale of the Land has now taken place, however, the sale proceeds are not going to be sufficient to discharge the Company's liability to Investec Bank ("Investec"), the senior secured creditor, in full. In fact, there will be a very significant shortfall and so Investec will remain as an unsecured creditor in the Company (to the tune of several millions of pounds), after the sale. As result, there will not be sufficient recoveries to pay any sums due to either the second and third charge holders or to unsecured creditors.

The sale price was £2,500,000 (plus VAT) consideration due on completion and an overage payment of £1,250,000 on grant of planning permission. The overage will be payable on receipt of an uncontested and acceptable planning consent within seven years of the date of the purchase.

The Administrators and their agents considered that this offer was without question the best available following extensive marketing and in the context of the allocation of the Land for a country park under the current local plan.

The sale completed on 31 July 2020 and the net proceeds have been paid to Investec in partial settlement of their legal charge over the Land. The overage due is secured by a charge over the Land provided by the purchaser.

Property

As previously recorded, the Property was marketed for sale, and a sale was completed on 29 March 2016 for the sum of £485,100. The net proceeds have been paid to Investec in partial settlement of their legal charge over the Property.

The option to acquire another residential property was not taken up as there was no financial benefit to the Company. The time costs incurred to date in respect of asset realisations are shown on the attached analysis of time costs.

Investigations

All investigative matters have previously been reported.

Statutory and case management matters

Certain aspects of the work that the Joint Administrators undertake are derived from the underlying legal and regulatory framework for cases of this nature. This work, which does not usually result in any direct financial return to creditors, is a necessary aspect of ensuring that the Joint Administrators are complying with both of their legislative and best practice responsibilities and ensuring that the case is managed efficiently and effectively. It includes matters such as:

- Periodic case reviews, ongoing case planning and strategy;
- Maintaining and updating computerised case management records;
- Dealing with routine correspondence not attributable to other categories of work;
- Ongoing consideration of ethical and anti-money laundering regulations;
- General taxation matters, including seeking tax clearance from HMRC;
- Preparation of receipts and payments accounts, maintenance of cashiering records;
- Preparing, reviewing and issuing final report to creditors and other parties;
- Filing of final documentation at Companies House, Court and other relevant parties; and,
- General administrative matters in relation to closing the case.

The time costs incurred to date in dealing with these matters is set out in the attached analysis of time costs.

Receipts and payments

We attach as appendix B a summary of receipts and payments for the period 17 November 2020 to 16 May 2021.

Receipts and payments are shown net of VAT, with any amount due to or from HM Revenue and Customs shown separately.

OUTSTANDING MATTERS

Assets remaining to be realised

There are no remaining assets to be realised.

Other outstanding matters

The Administrators have requested tax clearance from HM Revenue & Customs and once received, will move the case to closure.

Extension of the Administration

In 2016 approval was sought from the secured creditors of the Company for a 12-month extension to the administration period.

However, not all secured creditors responded to the request and as such the Administrators were required to make an application to Court. For Court applications, the extension period is not limited to a 12-month period (as it is when requesting approval from creditors) and so a 2-year extension application was submitted. The Court granted the extension on 16 June 2016 for the period to 23 June 2018.

The Administrators made a further application to the Court for a 5-year extension to the administration period, in order to facilitate the planning process and progress the sale of the site by way of an option agreement. The Court granted the extension on 20 June 2018 for the period to 23 June 2023.

End of the Administration

It is currently anticipated that the Company will exit Administration by way of Dissolution.

CREDITORS' CLAIMS AND DIVIDEND PROSPECTS

Dividend prospects

	Owed	Paid to date	Estimated future prospects
Secured creditor (1) Investec Bank PLC	£7,785,664	£2,435,996	Shortfall
Secured creditor (2) Magnafax	£4,152,912	NIL	NIL
Secured creditor (3) Helium	£250,000	NIL	NIL
Preferential creditors	N/A	N/A	N/A
Unsecured creditors	£2,054	NIL	NIL
Estimated Net Property	N/A		
Estimated 'Prescribed Part' available for creditors	N/A		

Prescribed Part

The 'Prescribed Part' is a statutory amount set aside for unsecured creditors from funds ('Net Property') available to a Qualifying Floating Charge Holder ('QFCH'). The amount of Net Property is calculated on a sliding scale up to maximum £800,000 depending on when the floating charge was created and whether or not it is a first ranking floating charge.

There have been no floating charge realisations in this matter and the Prescribed Part does not, therefore, apply.

Agreement of claims

Creditors' claims are usually only agreed if there is a likelihood of a dividend being made to that particular class of creditor.

In this case, as there is no likelihood of a dividend being paid to any class of creditor, other than the secured creditor(s), no work has been done to agree creditors' claims, other than that necessary for the purposes of admitting claims for voting, where applicable.

Creditors whose debts are treated as a small debt in accordance with Rule 14.31(1) of the Insolvency (England and Wales) Rules 2016 must still deliver a proof of debt if they wish to vote. Rule 14.31(1) states that Office Holders may treat a debt, which is a small debt according to the accounting records or the statement of affairs of the company, as if it were proved for the purposes of paying a dividend. Small debts are defined in Rule 14.1(3) as a debt (being the total amount owed to a creditor) which does not exceed £1,000.

Dividend payments

As noted above, there is unfortunately no likelihood of a dividend being paid to any class of creditor, other than the senior secured creditor.

Creditor communication

The following work was done in the period to comply with legislation, best practice and to ensure creditors were kept informed.

- Preparation and issue of progress reports to various parties, including creditors;
- Maintenance of schedules of unsecured creditors' claims;
- Dealing with correspondence and telephone calls; and,
- Where necessary, consideration of creditors' claims; acceptance or rejection of claims and complying with the legislative obligations in relation to adjudication of creditors' claims generally for voting and, if applicable, dividend purposes.

Creditors only derive an indirect financial return from this work on cases where a dividend has been, or will be, paid.

The time incurred in dealing with these matters during the period is set out in the attached post appointment analysis of time costs.

JOINT ADMINISTRATORS' FEES, COSTS AND EXPENSES

Guide to Administrator's fees and expenses

A Guide to Administrator's Fees, which provides information for creditors in relation to the fees and expenses of an Administrator, can be accessed at [www.rsmuk.com](#) under 'general information for creditors'. A hard copy can be requested from this office by telephone, email or in writing. All fees, costs and expenses are subject to VAT.

Relevant Approving Body

In this administration the senior secured creditor is the Relevant Approving Body responsible for approving the Joint Administrators' post appointment fee basis and, where applicable, 'Category 2' expenses.

Post Appointment fees, costs and expenses

Basis of Remuneration

As there will be no return to unsecured creditors we will, in accordance with legislation, agree our fees and disbursements with Investec, the senior secured creditor in line with the following:

- The Administrators shall be authorised to draw their remuneration based upon their time costs by reference to the time properly given by the Administrators and their staff, in attending to matters arising in the administration at RSM Restructuring Advisory LLP standard hourly rates.

Expenses and disbursements which are not capable of precise identification and calculation require approval prior to being drawn from the assets of the Company ("Category 2" disbursements).

- The Administrators shall be authorised to draw their disbursements and other expenses incurred by them in the administration, such disbursements to include "Category 2 disbursements" at the rates prevailing at the time the costs were incurred. In the event that the administration exits by way of liquidation and the Administrators are appointed liquidators, such resolution shall be treated as being passed in the liquidation.

Sums drawn in respect of remuneration in the period covered by this report are shown in the attached receipts and payments account.

Remuneration Charged

Legislation requires that 'remuneration charged' is reported. Remuneration is charged when the work to which it relates is done.

During the current period, the Administrators have incurred time costs of £4,204 for a total of 25 hours at an average rate of £162 per hour. A breakdown is attached Appendix C.

To date the Administrators have incurred total time costs of £423,455 and have been paid fees totalling £252,000, the balance remains outstanding.

Please note, Investec have paid Administrators' fees direct totalling £146,000 which is not reflected in the receipts and payments account at Appendix B.

All fees have been agreed by Investec, the senior secured creditor.

APPENDIX C - POST-APPOINTMENT TIME ANALYSIS

Joint Administrators' post appointment time cost analysis for the period 17 May 2021 to 16 November 2021

Please note that we have re-designed our SIP9 analysis table to provide a more detailed breakdown of the work carried out. This change does not alter the value of time costs recorded, purely the row within the table to which that time, and cost, has been allocated.

On 1 July 2021, RSM UK Restructuring Advisory LLP changed the job titles of some of their staff, and this is reflected in the SIP 9 analysis table. This change does not alter the value of time costs recorded or the column within the table to which that time has been allocated.
