### **1 Accounting policies**

#### **1.1 Accounting convention**

The financial statements are prepared under the historical cost convention

The financial statements are prepared on the basis of going concern, which assumes that the company will be in operational existence for the foreseeable future. This depends upon the continued support of the shareholders. The financial statements do not include any adjustments that would result if such support is withdrawn.

#### **1.2 Compliance with accounting standards**

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

#### **1.3 Investments**

Fixed asset investments are stated at cost less provision for diminution in value.

#### **1.4 Stock**

Stock is valued at the lower of cost and net realisable value.

#### **1.5 Deferred taxation**

The accounting policy in respect of deferred tax has been changed to reflect the requirements of FRS19 - Deferred tax. Deferred tax is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes.

#### **1.6 Group accounts**

The financial statements present information about the company as an individual undertaking and not about its group. The company and its subsidiaries undertaking comprise a small-sized group. The company has therefore taken advantage of the exemptions provided by section 398 of the Companies Act 2006 not to prepare group accounts.
