Notes to the Abbreviated Accounts for the period ended 30 June 2015**1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

Revenue is recognised when the company fulfils contractual obligations to customers for the supply of its services. Turnover represents the total invoice value, excluding value added tax, of sales made during the year and derives from the provision of services falling within the company's ordinary activities.

Tangible assets depreciation policy

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Fixtures, fittings and equipment - 25% Reducing balance basis

Other accounting policies

Going concern

These accounts have been prepared on a going concern basis on the grounds that the director of the company will not withdraw his support until such a time as the company has funds available to meet its other debts and liabilities as and when they fall due. In addition, the director is optimistic that the trading condition would improve in the near future and is taking measures to improve the profitability of the company to ensure that all debts and liabilities are paid as and when they fall due.
