**Year ended 30 June 2019**

## **STRATEGIC REPORT**

The directors present their strategic report for the year ended 30 June 2019.

### **Activities**

The principal activity of the company is to act as an investment holding company within the Diageo group's ("the group") US sub-group.

The directors foresee no changes in the company's activities.

### **Business review**

*Development and performance of the business of the company during the financial year and position of the company as at 30 June 2019.*

Profit before tax for the year ended 30 June 2019 increased by \$19,635,000 to \$61,909,000. Finance income increased by 68% in line with an increase in USD LIBOR rates. During the year ended 30 June 2019, the company received dividends of \$nil (2018 - \$nil) from Diageo Inc.

### *Financial and other key performance indicators*

As the company is an intermediary holding company within the group, the principal key performance indicator used by management to analyse the development, performance and position of the company's business is adherence to the group dividend policy.

### *Principal risks and uncertainties facing the company as at 30 June 2019.*

The company believes the following to be the principal risks and uncertainties it faces. If any of these risks occur, the company's business, financial condition and operational results could suffer. As the company forms part of the group's financial operations, the financial risk management measures used by management to analyse the development, performance and position of the company's business are mainly similar to those facing the group as a whole and are managed by the group's treasury department. One company-specific risk has been identified, which is the recoverability of the company's investment in subsidiaries.

There continues to be uncertainty with respect to the process surrounding the United Kingdom's proposed exit from the European Union, and in relation to the political environment more generally in the United Kingdom. We continue to believe that, in the event of either a negotiated exit or no-deal scenario, the direct financial impact to the company will not be material. The full implications of Brexit will not be understood until future tariffs, trade, regulatory, tax, and other free trade agreements to be entered into by the United Kingdom are established. Furthermore, the group could experience changes to laws and regulations post Brexit, in areas such as intellectual property rights, employment, environment, supply chain logistics, data protection, and health and safety.

**Diageo US Holdings (unlimited company)**

**Registered number: 04245744**

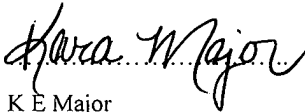

**Year ended 30 June 2019**

**STRATEGIC REPORT (continued)**

**Business review (continued)**

A cross-functional working group is in place that meets on a regular basis to identify and assess the consequences of Brexit, with all major functions within the group's business represented. The group continues to monitor this risk area very closely, as well as the broader environment risks, including a continuing focus on identifying critical decision points to ensure potential disruption is minimised, and take prudent actions to mitigate these risks wherever practical. More specific details on the impact of Brexit are included in the consolidated financial statements of Diageo plc which are publicly available.

30 October 2019

**Diageo US Holdings (unlimited company)**

**Registered number: 04245744**

**Year ended 30 June 2019**

## **DIRECTORS' REPORT**

The directors are pleased to submit their annual report, together with the audited financial statements for the year ended 30 June 2019.

The company is incorporated and domiciled as a private unlimited company in the United Kingdom. The registered address is Lakeside Drive, Park Royal, London, NW10 7HQ.

### **Going concern**

The company's business activities, together with the factors likely to affect its future development and position, are set out in the business review section of the strategic report on pages 2 to 3. The company is expected to continue to generate profit for its own account and to remain in positive net asset position for the foreseeable future. The directors have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the company to continue as a going concern. On the basis of their assessment, the company's directors have a reasonable expectation that the company will be able to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

### **Financial**

The result for the year ended 30 June 2019 is shown on page 9.

The profit for the year transferred to reserves was \$61,909,000 (2018 - \$42,274,000).

No dividend was paid during the year (2018 - \$nil) and there was no dividend proposed to be distributed to the shareholders in regards to the financial year (2018 - \$nil).

### **Directors**

The directors who held office during the year and up to the date of this report were as follows:

C L Jordan

D M F Leese

J M C Edmunds

K E Major (appointed 1 August 2018)

D F Harlock (resigned 1 August 2018)

J Ripshtein (resigned 15 January 2019)

### **Directors' remuneration**

None of the directors received any remuneration during the year in respect of their services as directors of the company (2018 - £nil).

### **Directors' indemnity**

The Articles of Association permit qualifying third-party indemnities for the directors as defined by Section 234 of the Companies Act 2006. No such indemnity was in force during the last financial year, nor is any currently in force.

**Diageo US Holdings (unlimited company)**

**Registered number: 04245744**

**Year ended 30 June 2019**

**DIRECTORS' REPORT (continued)**

**Internal control and risk management over financial reporting**

The company operates under the financial reporting processes and controls of the group. Diageo plc's internal control and risk management systems including its financial reporting process of Diageo plc, which include those of the company, are discussed in the group's Annual Report 2019 on page 75 at [www.diageo.com](http://www.diageo.com), which does not form part of this report.

**Auditors**

Pursuant to Section 487 of the Companies Act 2006, the auditors, PricewaterhouseCoopers LLP, have been reappointed and will continue in office as auditors of the company.

**Disclosure of information to the auditors**

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the company's auditors are unaware; and each director has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

30 October 2019

**Diageo US Holdings (unlimited company)**

**Registered number: 04245744**

**Year ended 30 June 2019**

**Statement of directors' responsibilities in respect of the financial statements**

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

# ***Independent auditors' report to the members of Diageo US Holdings (unlimited company)***

## **Report on the audit of the financial statements**

---

### **Opinion**

In our opinion, Diageo US Holdings (unlimited company)'s financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2019 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual report and financial statement (the "Annual Report"), which comprise: the balance sheet as at 30 June 2019; the statement of comprehensive income, the statement of changes in equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

---

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Independence**

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

---

### **Conclusions relating to going concern**

ISAs (UK) require us to report to you when:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of the above matters.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern. For example, the terms on which the United Kingdom may withdraw from the European Union are not clear, and it is difficult to evaluate all of the potential implications on the company's trade, customers, suppliers and the wider economy.

---

### **Reporting on other information**

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic Report and Directors' Report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

### *Strategic Report and Directors' Report*

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic Report and Directors' Report for the year ended 30 June 2019 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic Report and Directors' Report.

---

## **Responsibilities for the financial statements and the audit**

### *Responsibilities of the directors for the financial statements*

As explained more fully in the Statement of directors' responsibilities in respect of the financial statements set out on page 6, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### *Auditors' responsibilities for the audit of the financial statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

### *Use of this report*

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

---

## **Other required reporting**

### **Companies Act 2006 exception reporting**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

**Year ended 30 June 2019**

## **NOTES TO THE FINANCIAL STATEMENTS**

### **1. ACCOUNTING POLICIES**

#### **Basis of preparation**

These financial statements are prepared in accordance with Financial Reporting Standard 101 *Reduced Disclosure Framework* (FRS 101).

In preparing these financial statements, the company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU (IFRS), but makes amendments where necessary in order to comply with Companies Act 2006 and sets out below where the FRS 101 disclosure exemptions have been taken.

These financial statements are prepared on a going concern basis under the historical cost convention, except that certain financial instruments are measured at their fair value.

The company is a wholly owned subsidiary of Diageo plc and is included in the consolidated financial statements of Diageo plc which are publicly available.

The preparation of financial statements in conformity with FRS 101 requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

The following exemptions from the requirements of IFRS have been applied in the preparation of these financial statements, in accordance with FRS 101:

- The following paragraphs of IAS 1, 'Presentation of financial statements':
  - 10(d) (statement of cash flows);
  - 16 (statement of compliance with all IFRS);
  - 79(a)(iv) (comparative information requirements);
  - 111 (cash flow statement information);
  - 134-136 (capital management disclosures).
- IAS 7, 'Statement of cash flows'
- The following paragraphs of IAS 8, 'Accounting policies, changes in accounting estimates and errors':
  - 30 (requirement for the disclosure of information when an entity has not applied a new IFRS that has been issued but is not yet effective);
  - 31 (disclosures relating to the new IFRS).
- The following paragraphs of IAS 24 'Related party disclosures':
  - 17 (key management compensation);
  - 18A (key management services provided by a separate management entity).
- IFRS 7 Financial Instruments: Disclosures, provided that equivalent disclosures are included in the consolidated financial statements of the group in which the entity is consolidated.

**Diageo US Holdings (unlimited company)**

**Registered number: 04245744**

**Year ended 30 June 2019**

## **NOTES TO THE FINANCIAL STATEMENTS (continued)**

### **1. ACCOUNTING POLICIES (continued)**

#### **Basis of preparation (continued)**

- Paragraphs 130(f)(ii), 130(f)(iii), 134(d) to 134(f) and 135(c) to 135(e) of IAS 36, 'Impairment of assets' (disclosures when the recoverable amount is fair value less costs of disposal, assumptions involved in estimating recoverable amounts of cash-generating units containing goodwill or intangible assets with indefinite useful lives, and management's approach to determining these amounts).

The company has taken advantage of the exemption by virtue of section 400 under Companies Act 2006, from the requirement to prepare consolidated financial statements, as it and its subsidiaries are included in the consolidated financial statements of its ultimate parent, Diageo plc.

These financial statements are separate financial statements.

#### **New accounting standards and interpretations**

The following amendments to the accounting standards, issued by the IASB which have been endorsed by the EU, have been adopted by the group and therefore by the company from 1 July 2018 with no impact on the company's results, financial position or disclosures:

- Amendments to IAS 40 - Transfers of Investment Property;
- Amendments to IFRS 2 - Classification and Measurement of Share-based payment transactions;
- Amendments to IFRS 4 - Applying IFRS 9 with IFRS 4 Insurance contracts;
- Improvements to IFRS 1 - First-time Adoption of International Financial Reporting Standards: Deletion of short-term exemptions for first-time adopters;
- Improvements to IAS 28 - Investments in Associates and Joint Ventures: Measuring investees at fair value through profit or loss: an investment-by-investment choice or a consistent policy choice;
- IFRIC 23 Uncertainty over Income Tax Treatments.

#### **Functional and presentational currency**

These financial statements are presented in US dollar (\$), which is the company's functional currency.

All financial information presented in US dollar (\$) has been rounded to the nearest thousand unless otherwise stated.

#### **Finance income/costs**

Finance income/costs are recognised in the statement of comprehensive income in the year in which they are earned/incurred.

#### **Investments in subsidiaries**

Investments in subsidiaries are stated at historical cost less impairment provisions for any permanent decrease in value. The carrying amounts of the company's investments are reviewed at each reporting date to determine whether there is an indication of impairment. If such an indication exists, then the asset's recoverable amount is estimated. Losses are recognised in the statement of comprehensive income to reflect an impairment against the carrying value. Where an event results in the asset's recoverable amount being higher than the previously impaired carrying value, the original impairment may be reversed through the statement of comprehensive income in subsequent periods.

**Diageo US Holdings (unlimited company)**

**Registered number: 04245744**

**Year ended 30 June 2019**

## **NOTES TO THE FINANCIAL STATEMENTS (continued)**

### **1. ACCOUNTING POLICIES (continued)**

#### **Financial assets and liabilities**

Financial assets and liabilities are initially recorded at fair value including, where permitted by IFRS 9, any directly attributable transaction costs. For those financial assets that are not subsequently held at fair value, the company assesses whether there is evidence of impairment at each balance sheet date. The company classifies its financial assets and liabilities into the following categories: financial assets and liabilities at amortised cost, financial assets and liabilities at fair value through profit and loss and financial assets at fair value through other comprehensive income. Where financial assets or liabilities are eligible to be carried at either amortised cost or fair value, the company does not apply the fair value option.

**Trade and other receivables** Amounts owed by other group companies are initially measured at fair value and are subsequently reported at amortised cost. Non-interest-bearing trade receivables are stated at their nominal value as they are due on demand. Allowances for expected credit losses are made based on the risk of non-payment taking into account ageing, previous experience, economic conditions and forward-looking data. Such allowances are measured as either 12-months expected credit losses or lifetime expected credit losses depending on changes in the credit quality of the counterparty.

**Cash and cash equivalents** Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. In the balance sheet, bank overdrafts are shown within borrowings in current liabilities.

**Trade and other payables** Trade payables are non-interest bearing and are stated at their nominal value as they are due on demand. Amounts owed to other group companies are initially measured at fair value and are subsequently reported at amortised cost.

#### **Taxation**

Current tax is based on taxable profit for the year. Taxable profit is different from accounting profit due to temporary differences between accounting and tax treatments, and due to items that are never taxable or tax deductible. Tax benefits are not recognised unless it is probable that the tax positions are sustainable. Once considered to be probable, tax benefits are reviewed each year to assess whether a provision should be taken against full recognition of the benefit on the basis of potential settlement through negotiation and/or litigation. Tax provisions are included in current liabilities. Penalties and interest on tax liabilities for the financial year ended at 30 June 2019 are included in profit before taxation. In prior years penalties and interest on tax liabilities were provided for in the tax charge.

#### **Judgements in applying accounting policies and key sources of estimation uncertainty**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The critical accounting policy, which the directors consider is of greater complexity and particularly subject to the exercise of judgements and estimates, is set out in detail in the accounting policy for investments in subsidiaries. A critical accounting judgement, specific to the company, is the assessment that recoverable amount of the company's investment in subsidiaries is greater than the carrying amount.

**Diageo US Holdings (unlimited company)**  
**Registered number: 04245744**  
**Year ended 30 June 2019**

**NOTES TO THE FINANCIAL STATEMENTS (continued)**

**2. OPERATING COSTS**

Other external charges include bank charges of \$1,000 (2018 - \$1,000).

The auditors' remuneration of \$3,225 (2018 - \$3,375) was paid on behalf of the company by a fellow group undertaking. There were no fees payable to the auditors in respect of non-audit services (2018 - \$0).

The company did not employ any staff during either the current or prior year.

None of the directors received any remuneration during the financial year in respect of their services as directors of the company (2018 - \$0).
