Independent Auditors' Report to
Aberystwyth Specsavers Limited
Under Section 449 of the Companies Act 2006

We have examined the abbreviated accounts set out on pages three to six, together with the full financial statements of Aberystwyth Specsavers Limited for the year ended 31 October 2013 prepared under Section 396 of the Companies Act 2006.

This report is made solely to the company, in accordance with Section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company, for our work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated accounts in accordance with Section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the Regulations made under that Section and to report our opinion to you.

Basis of opinion

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared.

Opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with Section 444(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with the Regulations made under that Section.

Notes to the Abbreviated Accounts
for the Year Ended 31 October 2013

1. **ACCOUNTING POLICIES**

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents the net amounts invoiced to customers during the period less work in progress and net of value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Optical equipment	- 14-25% on cost
Fixtures and fittings	- 14-25% on cost
Computer equipment	- 33% on cost

Stocks

Stock is valued at the lower of cost and net realisable value. Cost is determined on an average cost basis. Net realisable value is based on estimated selling price allowing for all further costs of completion and disposal.

Deferred tax

Deferred tax is provided in full on timing differences which result in an obligation at the balance sheet date to pay more tax or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in tax computations in periods different from those in which they are included in the financial statements. Deferred tax assets and liabilities are not discounted.

Dividends

The company recognises dividends in the period in which they are authorised.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Pension costs

The company operates a defined contribution scheme for one of the directors and its employees under which the pension costs charged against profits represent the amount of contributions payable to the scheme for the period. Differences between contributions payable in the year and contributions actually paid are shown as either accrual or prepayments on the balance sheet as appropriate.
