Castlegate 211 Limited

Directors' report for the year ended 30 June 2011

The directors present their annual report and audited financial statements for the year ended 30 June 2011

Principal activity and review of the business

The loss for the year was £19,000 (2010 £Nil) The directors intend not to trade for the foreseeable future and no dividends have been proposed (2010 £Nil)

Principal risks and uncertainties

From the perspective of the company, the principal risks and uncertainties are integrated with the principal risks of the group and are not managed separately Accordingly, the principal risks and uncertainties of ClinPhone Ltd, which include those of the company, are disclosed below

The market in which ClinPhone operates is large and growing, driven by the expanding use of technology and the increasing complexity of clinical trials Traditionally, clinical trial data has been collected using paper based methods and the market has been slow to take advantage of new technology ClinPhone's technology reduces the cost and duration of running clinical trials and improves the accuracy integrity and consistency of data collected

The Group's financial position will continue to be significantly influenced by economic conditions In particular, the status of the pharmaceutical and biotechnology markets affects our customers research and development expenditure which in turn leads to a change in the amount of money spent on clinical trials Factors affecting the Group's results of operations also include the regulatory environment in relation to the conduct of clinical trials, in particular, the regulations imposed by the Food and Drug Administration in the USA

In addition to being affected by the overall market conditions in the pharmaceutical and biotechnology sectors, demand for technology solutions is driven by the markets' approach to the adoption of technology, standardisation of processes and cost savings This highly attractive market continues to draw increasing investment from competitors offering alternate technologies The Group needs to maintain a certain level of re-investment into its technology to ensure it remains at the forefront of the market

Given the global nature of the operations of the Group the financial results are exposed to the fluctuations of foreign currency markets The Group has maintained a policy of limiting the volatility of its exposure to the US Dollar to Pound Sterling exchange rate by entering into forward contracts Going forward the Group will be establishing a similar policy of limiting the volatility of its exposure to the Euro to Pound Sterling exchange rates

Going Concern

The directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future Accordingly, they have adopted the going concern basis in preparing the financial statements

Directors

The directors who served during the period were

J F Winschel Jr
J H Von Rickenbach
D A Batt

None of the directors had any interest in the share capital of the company

Directors' qualifying third party indemnity provisions

The company has granted an indemnity to one or more of its directors against liability in respect of proceedings brought by third parties, subject to the conditions set out in section 234 of the Companies Act 2006 Such qualifying third party indemnity provision remains in force as at the date of approving the directors' report

Castlegate 211 Limited

Directors' report for the year ended 30 June 2011 (continued)

Disclosure of information to the auditors

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow directors and the company's auditors, each director has taken all the steps he is obliged to take as a director in order to make himself aware of any relevant audit information and to establish that the auditor is aware of that information.

Reappointment of auditors

In accordance with s485 of the Companies Act 2006, a resolution to reappoint Ernst & Young LLP as auditors will be put to the members at the Annual General Meeting.

By order of the board

D A Batt
Secretary

Castlegate 211 Limited

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit and loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Castlegate 211 Limited

Independent auditors' report to the members of Castlegate 211 Limited

We have audited the financial statements of Castlegate 211 Limited for the year ended 30 June 2011 which comprise the Profit and Loss Account, the Balance Sheet the Reconciliation of Movement in Total Shareholders' Funds, and the related notes 1 to 12. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the directors' report and financial statements to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 30 June 2011 and of its loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial period for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

Kevin Harkin (Senior statutory auditor)

Castlegate 211 Limited

Notes to the financial statements for the year ended 30 June 2011

1 Accounting policies

Basis of preparation

The accounts are prepared under the historical cost convention and in accordance with applicable accounting standards. The particular accounting policies adopted are described below, and have been applied consistently throughout the period.

Going concern

The financial statements have been prepared on a going concern basis as the group company PAREXEL International Holdings UK Ltd has confirmed to the directors that it will provide support to enable the company to continue for the foreseeable future, being not less than twelve months from the date of approval of these financial statements. PAREXEL International Holdings UK Limited will draw on available funds from within the UK Group in order to provide this assistance. Accordingly the directors have determined that it is appropriate to prepare these financial statements on a going concern basis.

Consolidated financial statements

The company is exempt under Section 405 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it and its subsidiary undertakings are included by full consolidation in the consolidated financial statements of its ultimate parent. These financial statements therefore present information about the company as an individual undertaking and not about its group.

Foreign exchange

Monetary assets and liabilities denominated in overseas currencies are translated into Sterling at the balance sheet date. Transactions and non-monetary assets and liabilities are translated at rates appropriate to the transaction date. Exchange differences are taken to the profit and loss account.

Capital instruments

Debt is recognised in the balance sheet as the cash proceeds received less costs incurred directly in connection with the issue of the instrument. Finance costs in respect of the instruments, including discounts on issue, are charged to the profit and loss account over the term of the instrument.

Deferred taxation

Deferred taxation is provided in full on timing differences, arising from the different treatment of items for accounting and taxation purposes, which are expected to reverse in the future, calculated at the rates at which it is expected that tax will arise.

A deferred taxation asset is recognised if transactions have occurred at the balance sheet date that give rise to a right to pay less taxation in the future and it is more likely than not that an economic benefit will be received. Deferred tax assets and liabilities have not been discounted.

2 Loss on ordinary activities before taxation

No directors received any emoluments (2010: £Nil) from the company. All directors' emoluments and the audit fees of £1,000 (2010: £1,000) are borne by Perceptive EClinical Limited and ClinPhone Limited.

The company has no employees (excluding directors) (2010: Nil).

Castlegate 211 Limited

Notes to the financial statements for the year ended 30 June 2011

3 Taxation

	2011	2010
	£'000	£'000
UK corporation tax		
Current tax on income for the period	-	-
Tax related to prior periods	18	-
Total tax charge	18	-

Reconciliation of Taxation (Credit) / Charge

The tax assessed for the period is less than that which (2010 equal to 28%) would be expected by multiplying loss on ordinary activities by the standard rate of corporation tax in the UK of 27.5%. The differences are explained below

	2011	2010
	£'000	£'000
Profit/(Loss) on ordinary activities before taxation	(1)	-
Profit on ordinary activities before taxation multiplied by the standard rate of corporation tax of 27.5% (2010 28%)	-	-
Effects of		
Adjustments to tax charge in respect of previous period	18	-
Current tax	18	-

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realised or the liability settled, based on the tax rates that have been substantively enacted at the balance sheet date

In his budget of 23 March 2011, the Chancellor of the Exchequer announced budget tax changes, which, if enacted in the proposed manner will have a significant effect on the company's future tax position. As at the balance sheet date, the reduction in the tax rate to 26% was substantively enacted, and therefore any deferred tax balance has been calculated at this rate

The Budget proposed further reductions to the tax rate by 1% each year (ie down to 23%) until 2014, to be enacted annually. This reduction will affect any future and current tax charge of the Company. The rate change will also impact the amount of any future cash payment to be made by the Company

The effect on the Company of these proposed changes to the UK tax system will be reflected in the Company's financial statements in future years as appropriate once the proposals have been substantively enacted "

Castlegate 211 Limited

Notes to the financial statements for the year ended 30 June 2011

4 Fixed asset investments

	Shares in subsidiary undertakings
	£'000
Cost	
At 1 July 2010 and 30 June 2011	-

Castlegate 211 Limited is a parent company and has the following subsidiary undertaking registered in England
