The company is entitled to exemption from audit under Section 249A(1) of the Companies Act 1985 for the year ended 30 November 2007.

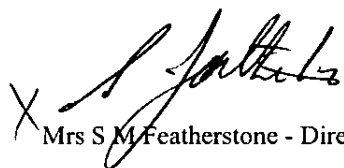

The members have not required the company to obtain an audit of its financial statements for the year ended 30 November 2007 in accordance with Section 249B(2) of the Companies Act 1985.

The directors acknowledge their responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Section 221 of the Companies Act 1985 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Section 226 and which otherwise comply with the requirements of the Companies Act 1985 relating to financial statements, so far as applicable to the company.

These abbreviated accounts have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

The financial statements were approved by the Board of Directors on 26 November 2008 and were signed on its behalf by:

X 
Mrs S M Featherstone - Director

The notes form part of these abbreviated accounts

ABEL MCKENNA RESOURCES LIMITED

NOTES TO THE ABBREVIATED ACCOUNTS

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007).

Although the company has incurred a profit during the year to 30 November 2007, prior year losses, the directors believe that it is appropriate to prepare financial statements on a going concern basis which assumes that the company will continue in operational existence for the foreseeable future on the basis of the company's plans and the continued support of the company's directors and bankers.

Turnover

Turnover represents net invoiced fees for services, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computer equipment - 33% on cost

Stocks

Work in progress is valued at the lower of cost and net realisable value.

Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

Deferred tax

The charge for taxation takes into account taxation deferred as a result of timing differences between the treatment of certain items for taxation and accounting purposes. In general, deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

However, deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted. Deferred tax is not recognised on revaluation gains. Deferred taxation is measured on a non-discounted basis at the tax rates that are expected to apply in the periods in which the timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

2. TANGIBLE FIXED ASSETS
