**NOTES TO THE FINANCIAL STATEMENTS
for the Year Ended 23 JUNE 2021**

1. STATUTORY INFORMATION

Kent H. Landsberg Europe Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the US Dollar (\$).

The principal place of business is 15 Hill Street, Edinburgh, EH2 3JP.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The financial statements have been prepared on a going concern basis, in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom and under the historical cost accounting rules.

Going concern

The Coronavirus (COVID-19) pandemic has impacted Kent H. Landsberg Europe Limited, like most of the world. The directors have considered the financial health of the company along with the various government measures in place to support businesses through this pandemic and with this in mind the directors are confident that the company will continue as a going concern for the foreseeable future.

Related party exemption

The company has taken advantage of exemption, under the terms of Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', not to disclose related party transactions with wholly owned subsidiaries within the group.

Turnover

Turnover is based on the invoiced value from sales of goods, net of sales taxes and allowances. It is recognised in the profit and loss account when the significant risks and rewards of ownership have been transferred to the customer.

Stocks

Stocks and work-in-progress have been valued at the lower of cost, including applicable overheads, and net realisable value. In the case of manufactured products, costs include all direct expenditure and production overheads based on the normal level of activity. Where necessary, provision is made for obsolete, slow moving and defective stocks.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

NOTES TO THE FINANCIAL STATEMENTS - continued
for the Year Ended 23 JUNE 2021

2. ACCOUNTING POLICIES - continued

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Foreign currencies

Assets and liabilities in foreign currencies are translated into US Dollars at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into US Dollars at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Transactions denominated in foreign currencies which are conducted through foreign branches are recorded at the average rate of exchange during the year. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the balance sheet date. Differences arising from fluctuations in exchange rates are taken to the profit and loss account.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 5 (2020 - 8) .
