The financial statements have been prepared under the historical costs convention as modified by the revaluation of certain assets.

#### Property, plant and equipment

Property, plant and equipment, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Plant and Machinery 25% Reducing balance
Computer Equipment 25% Reducing balance
Motor Vehicles 25% Reducing balance

#### Inventories

Inventories have been valued at the lower of cost and estimated selling price less costs to sell. In respect of work in progress, cost includes a relevant proportion of overheads according to the stage of completion.

#### Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

#### Hire purchase and leasing commitments

Property, plant and equipment acquired under finance lease or hire purchase contracts are capitalised and depreciated in the same manner as other tangible fixed assets. The related obligations, net of future finance charges, are included in creditors.
