# 2 Progress to date

This section updates you on our strategy for the administration and on our progress to date. It follows the information provided in our previous progress report.

## 2.1 Strategy and progress to date

Strategy

Please refer to our proposals and previous progress report for details of the full administration strategy.

#### 2.2 Asset realisations

Realisations during the period are set out in the attached receipts and payments account (Appendix 2).

Summaries of the most significant realisations during the period are provided below.

Furniture and equipment

The sum of £1,500 was received during the period following the sale of furniture from the closed site to Rileys Sports Bars (2014) Limited.

Trade debtors

During the period we received the sum of £3,289 from a pre-appointment trade debtor. No further debtor realisations are expected.

Receipt from Jamie's Italian Limited

JOHL, a company outside of the Group, comprises a number of businesses that cover all the media interests of the celebrity chef, Jamie Oliver. JOHL agreed to cover all of the payroll costs and associated deductions in full for all Group entities, where there were outstanding payroll liabilities due on appointment. These funds were transferred to JIL which included contributions in respect of Fifteen.

The sum of £55,970 was received from JIL during the period which covers the Company's payroll arrears costs in full.

Bank interest

During the period we received £110 representing interest accrued on funds held in the Joint Administrators' bank account.

#### 2.3 Costs

Payments made in this period are set out in the attached receipts and payments account (Appendix 2).

Summaries of the most significant payments made during the period are provided below.

#### Legal fees

We paid Gateley £1,766 during their period for their legal expertise on certain complex matters concerning the administration.

Storage costs

Our storage provider, Iron Mountain (UK) Limited, received the sum of £640 during the period for the uplift and ongoing storage of the Company's books and records.

## 2.4 Schedule of expenses

We have detailed the costs incurred during the period, whether paid or unpaid, in the schedule of expenses attached (Appendix 3).

# 3 Dividend prospects

#### 3.1 Secured creditors

We are not aware of any secured claims against the Company.

## 3.2 Preferential creditors

We estimate the amount of preferential claims to be £44,235.

Based on current estimates, we anticipate that preferential creditors should receive a dividend. We have yet to determine the amount of this, but we will do so when we have completed the payment of the costs of the administration.

#### 3.3 Unsecured creditors

Based on current estimates, it is highly unlikely that there will be a dividend to unsecured creditors.

# 4 Other matters

## 4.1 Decision procedure

Notice of seeking a decision by correspondence is attached to the covering letter. This decision by correspondence procedure is being used to seek approval from the unsecured creditors for:

- the basis of our remuneration
- the drawing of Category 2 disbursements
- the payment of unpaid pre-administration costs
- our discharge from liability in respect of any actions as Joint Administrators

Please note that if a Creditors' Committee is formed, the votes cast by creditors in relation to the proposed decisions above will be disregarded.

Creditors' right to request a physical meeting

We will summon a physical meeting (1) if asked to do so by (a) creditors whose debts amount to at least 10% of the total debts of the Company, or (b) 10% in number of creditors or (c) 10 creditors and (2) if the procedures set out below are followed.

Requests for a physical meeting must be made within five business days of the date on which notice of the decision procedure was delivered. They must include:

- a statement of the requesting creditors' claim;
- a list of the creditors concurring with the request, showing the amounts of their respective debts in the administration;
- written confirmation of their concurrence from each concurring creditor; and
- a statement of the purpose of the proposed meeting.

In addition, the expenses of summoning and holding a meeting at the request of a creditor must be paid by that creditor. That creditor is required to deposit security for such expenses with us.

If you wish to request a physical meeting, please complete and return the physical meeting requisition form attached to the cover letter.

# 5 Joint Administrators' remuneration, disbursements and pre-administration costs

## 5.1 Joint Administrators' remuneration and disbursements

We are seeking approval from the unsecured creditors that:

- our remuneration will be drawn on the basis of time properly given by us and the various grades of our staff in accordance with the fees estimate provided in Appendix 4 and the charge-out rates included in Appendix 5.
- disbursements for services provided by KPMG (defined as Category 2 disbursements in Statement of Insolvency Practice 9) will be charged in accordance with KPMG's policy as set out in Appendix 5.

See Section 4 for details regarding the decision procedure. It should be noted that total post-appointment fees for the administration are expected to be a maximum of £15,000 and therefore we will not be recovering our time costs in full.

Time costs

From 21 November 2019 to 20 May 2020, we have incurred time costs of £22,379. These represent 61 hours at an average rate of £364 per hour.

Remuneration

During the period, we have not drawn any remuneration.

#### Disbursements

During the period, we have not incurred any disbursements.

## Additional information

We have attached (Appendix 5) an analysis of the time spent, the charge-out rates for each grade of staff and the expenses paid directly by KPMG for the period from 21 November 2019 to 20 May 2020. We have also attached our charging and disbursements policy.

## 5.2 Pre-administration costs

We disclosed the following pre-administration costs, which were unpaid at the date of our appointment, in our proposals:

Total	7,164.15	5,829.15	5,286.44	0.00	1,335.00
KPMG disbursements	1,335.00	0.00	0.00	0.00	1,335.00
KPMG fees	5,829.15	5,829.15	5,286.44	0.00	0.00
	Disclosed unpaid costs (£)	Approved Pai	d in the previous period (£)	Paid in the period (£	Outstanding (£)
Pre-administration costs				-	

We are seeking approval from the unsecured creditors to pay the outstanding preadministration costs as an expense of the administration.

See Section 4 for details regarding the decision procedure.

# 6 Future strategy

## 6.1 Future conduct of the administration

We will continue to manage the affairs, the business and the property of the Company in order to achieve the purpose of the administration. This will include but not be limited to:

- Payment of the costs of the administration, including the Joint Administrators' remuneration and expenses;
- Agreeing preferential creditors' claims and paying a distribution to the preferential creditors;
- VAT and tax returns, including obtaining tax clearance; and
- · Statutory and compliance matters.

#### 6.2 Extension of the administration

During the period the preferential and unsecured creditors granted a 12 month extension to the period of the administration.

The administration is currently due to end on 20 May 2021, however we anticipate that the administration will be concluded prior to the anniversary.

# 6.3 Discharge from liability

We are seeking approval from the unsecured creditors that we be discharged from liability in respect of any actions as Joint Administrators, upon the filing of the Joint Administrators' final receipts and payments account at Companies House.

See Section 4 for details regarding the decision procedure.

Discharge does not prevent the exercise of the Court's power in relation to any misfeasance action against us.

# 6.4 Future reporting

We will provide a further progress report within one month of 21 November 2020 or earlier if the administration has been completed prior to that time.

Whilst specific notes have been provided below to give more context around the fees estimate, these should be read in conjunction with the report as a whole.

Below is further detail of the work to be undertaken for this engagement. It should be note that whilst we are disclosing our additional time costs, it should be noted that we intend to draw limited post-appointment fees of between £10,000 & £15,000 in the administration.

#### Note 1 - Cashiering

Our future work will involve maintaining the bank account, including bank reconciliations and processing receipts and payments in the administration. It also includes the closure of the bank accounts once the administration is concluded.

#### Note 2 - General

Our work will include dealing with the Company's books and records, reconciliation and drawing our fees and expenses as detailed in the Proposals.

#### Note 3 - Statutory and Compliance

Our work included notifying the Registrar of Companies and other relevant parties for the remainder of the appointment, releasing bonding and ensuring compliance with all statutory obligations. This also includes checklists and closure related formalities.

#### Note 4 - Tax

We have instructed our internal VAT and Tax specialists to review the Company's tax and VAT affairs. We will continue to submit post-administration VAT returns as required. Tax clearance is expected shortly.

#### Note 5 - Creditors and claims

There will be time spent dealing with creditor queries, statutory reporting and dividends for preferential creditors.

#### Note 6 - Employees

Our work included assisting the former employees to complete their claim forms and dealing with any subsequent queries and the agreement and payment of their claims and dividends. It also includes our ongoing work relating to the employment tribunal which has increased our time costs. We hope to conclude this work shortly.

#### Note 7 - Directors

Our work involved correspondence with the Directors regarding their statutory duties and reviewing the Statement of Affairs and questionnaires.

#### Note 8 - Investigations

This work involved reviewing the Company's affairs, directorship searches, compliance with our statutory duties and submitting director reports and other relevant reports to the Secretary of State. We also investigated any transactions or disposals made in the lead up to and/or immediately prior to our appointment.

#### Note 9 - Asset realisation

This includes the time spent in considering a sale of business process and dealing with all disposal of furniture and equipment. It also includes time dealing with ROT assets and other residual assets and property related matters.

#### Note 10 - Cessation of Trading

This is the time spent planning for, and dealing with, the closure of the restaurant. It also includes additional time for dealing with the associated costs to be settled following the end of the trading period and property related queries.

In the event that additional work is necessary due to a change in the circumstances of the administration we may need to increase our fees estimate and request approval to draw additional remuneration.

## Appendix 5 Joint Administrators' charging and disbursements policy

Joint Administrators' charging policy

The time charged to the administration is by reference to the time properly given by us and our staff in attending to matters arising in the administration. This includes work undertaken in respect of tax, VAT, employee, pensions and health and safety advice from KPMG inhouse specialists.

Our policy is to delegate tasks in the administration to appropriate members of staff considering their level of experience and requisite specialist knowledge, supervised accordingly, so as to maximise the cost effectiveness of the work performed. Matters of particular complexity or significance requiring more exceptional responsibility are dealt with by senior staff or us.

If you are unable to access this guide and would like a copy, please contact Marlen Vaki on 0207 3118140.

Hourly rates

Set out below are the relevant hourly charge-out rates for the grades of our staff actually or likely to be involved on this administration. Time is charged by reference to actual work carried out on the administration; using a minimum time unit of six minutes.

All staff who have worked on the administration, including cashiers and secretarial staff, have charged time directly to the administration and are included in the analysis of time spent. The cost of staff employed in central administration functions is not charged directly to the administration but is reflected in the general level of charge-out rates.

Table of charge-out rates

Charge-out rates (£) for: Restructuring					
Grade	From 01 Oct 2019 £/hr	From 01 Jan 2020 £/hr			
Partner	655	690			
Director	590	620			
Senior Manager	535	560			
Manager	445	467			
Senior Administrator	310	325			
Administrator	225	236			
Support	140	147			

The charge-out rates used by us might periodically rise (for example to cover annual inflationary cost increases) over the period of the administration. In our next statutory report, we will inform creditors of any material amendments to these rates.

Policy for the recovery of disbursements

Where funds permit the officeholders will seek to recover both Category 1 and Category 2 disbursements from the estate. For the avoidance of doubt, such expenses are defined within SIP 9 as follows:

Category 1 disbursements: These are costs where there is specific expenditure directly referable to both the appointment in question and a payment to an independent third party. These may include, for example, advertising, room hire, storage, postage, telephone charges, travel expenses, and equivalent costs reimbursed to the officeholder or his or her staff.

Category 2 disbursements: These are costs that are directly referable to the appointment in question but not to a payment to an independent third party. They may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis, for example, business mileage.

Category 2 disbursements charged by KPMG Restructuring include mileage. This is calculated as follows:

Mileage claims fall into three categories:

- Use of privately-owned vehicle or car cash alternative 45p per mile.
- Use of company car 60p per mile.
- Use of partner's car 60p per mile.

For all of the above car types, when carrying KPMG passengers an additional 5p per mile per passenger will also be charged where appropriate.

We have not incurred any disbursements during the period.

We have the authority to pay Category 1 disbursements without the need for any prior approval from the creditors of the Company.

Category 2 disbursements are to be approved in the same manner as our remuneration.
