Notes to the Abbreviated Accounts for the Year Ended 31 January 2013

1 Accounting policies

Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

The accounts do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirements to prepare such a statement

Turnover

Turnover represents amounts chargeable, net of value added tax, in respect of the sale of goods and services to customers

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows

Asset class	Depreciation method and rate
Fixtures & fittings	25% reducing balance method
Motor vehicles	25% reducing balance method

Stock

Stock is valued at the lower of cost and net realisable value, after due regard for obsolete and slow moving stocks
Net realisable value is based on selling price less anticipated costs to completion and selling costs
