1. The first part of the report, covering the period from 1945 to 1947, is devoted to a general survey of the situation in the country. It deals with the political, economic, and social conditions prevailing at that time.

2. The second part of the report, covering the period from 1947 to 1949, is devoted to a detailed analysis of the political situation. It discusses the various political parties and their policies, and the role of the government in the country.

3. The third part of the report, covering the period from 1949 to 1951, is devoted to a detailed analysis of the economic situation. It discusses the various economic policies and measures taken by the government, and the role of the private sector in the economy.

4. The fourth part of the report, covering the period from 1951 to 1953, is devoted to a detailed analysis of the social situation. It discusses the various social policies and measures taken by the government, and the role of the social organizations in the country.

5. The fifth part of the report, covering the period from 1953 to 1955, is devoted to a detailed analysis of the political situation. It discusses the various political parties and their policies, and the role of the government in the country.

6. The sixth part of the report, covering the period from 1955 to 1957, is devoted to a detailed analysis of the economic situation. It discusses the various economic policies and measures taken by the government, and the role of the private sector in the economy.

7. The seventh part of the report, covering the period from 1957 to 1959, is devoted to a detailed analysis of the social situation. It discusses the various social policies and measures taken by the government, and the role of the social organizations in the country.

8. The eighth part of the report, covering the period from 1959 to 1961, is devoted to a detailed analysis of the political situation. It discusses the various political parties and their policies, and the role of the government in the country.

9. The ninth part of the report, covering the period from 1961 to 1963, is devoted to a detailed analysis of the economic situation. It discusses the various economic policies and measures taken by the government, and the role of the private sector in the economy.

10. The tenth part of the report, covering the period from 1963 to 1965, is devoted to a detailed analysis of the political situation. It discusses the various political parties and their policies, and the role of the government in the country.

11. The eleventh part of the report, covering the period from 1965 to 1967, is devoted to a detailed analysis of the economic situation. It discusses the various economic policies and measures taken by the government, and the role of the private sector in the economy.

12. The twelfth part of the report, covering the period from 1967 to 1969, is devoted to a detailed analysis of the social situation. It discusses the various social policies and measures taken by the government, and the role of the social organizations in the country.

13. The thirteenth part of the report, covering the period from 1969 to 1971, is devoted to a detailed analysis of the political situation. It discusses the various political parties and their policies, and the role of the government in the country.

14. The fourteenth part of the report, covering the period from 1971 to 1973, is devoted to a detailed analysis of the economic situation. It discusses the various economic policies and measures taken by the government, and the role of the private sector in the economy.

15. The fifteenth part of the report, covering the period from 1973 to 1975, is devoted to a detailed analysis of the social situation. It discusses the various social policies and measures taken by the government, and the role of the social organizations in the country.

16. The sixteenth part of the report, covering the period from 1975 to 1977, is devoted to a detailed analysis of the political situation. It discusses the various political parties and their policies, and the role of the government in the country.

17. The seventeenth part of the report, covering the period from 1977 to 1979, is devoted to a detailed analysis of the economic situation. It discusses the various economic policies and measures taken by the government, and the role of the private sector in the economy.

18. The eighteenth part of the report, covering the period from 1979 to 1981, is devoted to a detailed analysis of the social situation. It discusses the various social policies and measures taken by the government, and the role of the social organizations in the country.
