## **Trafalgar 2001 Trust Limited**

### **Trustees' Report**

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 January 2021.

#### **Trustees**

Mr Raymond Cassidy

Mr Philip Collins (resigned 5 February 2020)

Mr Andy Heald

Ms Bronwyn Hill

Mr Matthew Richardson

Mr Laurence Taylor

#### **Objectives and Activities**

The objects of the Charity are to provide facilities for water-related and other physical recreation at the Trafalgar Rowing Centre, London for the public benefit and in the interests of the social welfare, with the object of improving the condition of life of persons who by reason of their youth and/or social and/or economic circumstances have need of such facilities.

The main activities are

- provision of services supporting rowing on the River Thames and at the Royal Albert Dock,
- provision of facilities for indoor rowing and more general fitness training, and
- provision of a social centre which is used by members of the community, local charities and other not-for-profit organisations.

The Trustees have managed these activities with regard to the guidance issued by the Charities Commission in respect of public benefit. All delivery of services in support of the Trust's objectives is by volunteers.

#### **Achievements and Performance**

The Trustees in conjunction with the member clubs (Curlew Rowing Club and Globe Rowing Club) continue to provide facilities for water-related and other physical recreation activities at the Trafalgar Rowing Centre. The year began with normal activities for the Charity. The member organisations were progressing well with their recruitment and outreach work, and the Charity was looking forward to continuing its involvement with the local community. Owing to the COVID-19 restrictions, however, the facility was closed from late March. As restrictions began to ease in mid-2020, however, the Trustees took action to invest in the facilities, undertaking a refurbishment of the gymnasium and provision of new safety features in the main building which involved investment in a new flood door. In line with Government requirements and British Rowing guidance, the gymnasium and boathouse re-opened with enhanced cleaning and sanitation, thus allowing a partial resumption of fitness activities. The premises were at no time completely closed, and supplies of utilities were maintained, so that the building could remain available to the Royal Borough of Greenwich as an emergency accommodation facility.

## **Trafalgar 2001 Trust Limited**

### **Trustees' Report**

The Trust continues to interact positively with the local community, the Port of London Authority, British Rowing Thames Regional Rowing Council and other charities to improve the water sports experience and broader river-related education for local people.

The grants to Curlew and Globe rowing clubs helped the clubs to maintain support for members' exercise through the pandemic, for example through on-line and individual activity. As a result, the clubs were better placed to restart activities as Government and British Rowing guidance allowed.

Ensuring continuity of opportunities for sport, exercise and social engagement was very important for local people's health and well-being during the extended period of lockdown and limits on normal social activity in 2020/21.

#### **Financial Review**

The Trust continues to hold a reasonable bank balance to carry out its statutory and charitable activities and fulfil suitable proposals made to the Trustees.

The Trustees are constantly aware of the need to hold certain reserves to cater for any unforeseen maintenance and building works.

The premises used are leased, but the Charity is responsible for maintenance. This maintenance has typically been covered from current income, but the Trustees have recognised the need to build a reserve fund to cover both this maintenance and to allow for any reduction in fundraising income. They are working to establish and maintain a reserve of at least £30,000, representing approximately two years' worth of ongoing fixed costs. The current bank balance complies with this objective. The amount of reserves held at the year end totalled £68,593 (2020: £45,430), all unrestricted.

The charity does not hold zero reserves and no funds are in deficit.

Subject to the ability to resume fund-raising activities following the re-opening of society following the serious effects of the COVID-19 pandemic during 2020 and 2021. The Trustees/Directors regularly reviewed the financial situation of the Trust during the pandemic to assess financial risks given the extended period of inactivity. It concluded that there were sufficient funds and new sources of income for it to continue as a going concern.

Normally, and apart from donations, the Charity's principal sources of funds are from the hire of facilities for social functions and from the provision of storage facilities for rowing boats. There is also a small contribution from subscriptions for the use of the gymnasium. Exceptionally in 2020-21 however, the principle source of income was grant-aid from local and national government to support businesses and charities through the COVID-19 pandemic.

#### **Structure, Governance and Management**

The Charity leases premises in Greenwich, managing these premises in support of its activities. It holds funds to allow this to be done, and also holds certain fixed and moveable assets in support of these activities.

The Charity is governed by a Trust Deed and is established as a Company Limited by Guarantee.

## **Trafalgar 2001 Trust Limited**

### **Trustees' Report**

In the event of a vacancy, the remaining Trustees shall unanimously appoint a new Trustee from among the membership of Globe Rowing Club and Curlew Rowing Club.

New Trustees are directed to the guidance on the Charity Commission website and reminded of Companies House requirements for Directors.

The Trustees are supported by a management committee comprising the Chairman and three other Trustees, plus representatives of the Members, the events manager and the bookkeeper. There are no employees, and no remuneration is paid to any Trustee or volunteer.

## **Trafalgar 2001 Trust Limited**

### **Statement of Trustees' Responsibilities**

The trustees (who are also the directors of Trafalgar 2001 Trust Limited for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Small companies provision statement**

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

Approved by the trustees of the charity on 5 November 2021 and signed on its behalf by:

.....  
Mr Matthew Richardson  
Trustee

## **Trafalgar 2001 Trust Limited**

### **Independent Examiner's Report to the trustees of Trafalgar 2001 Trust Limited**

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 January 2021 which are set out on pages 7 to 18.

#### **Respective responsibilities of trustees and examiner**

As the charity's trustees of Trafalgar 2001 Trust Limited (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of Trafalgar 2001 Trust Limited are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Trafalgar 2001 Trust Limited as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the financial year ending 31 January 2021 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

**Directors' responsibilities:**

- The members have not required the charity to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The financial statements on pages 7 to 18 were approved by the trustees, and authorised for issue on 5 November 2021 and signed on their behalf by:

.....  
Mr Matthew Richardson  
Trustee

## **Trafalgar 2001 Trust Limited**

### **Notes to the Financial Statements for the Year Ended 31 January 2021**

#### **1 Charity status**

The charity is limited by guarantee, incorporated in , and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

The address of its registered office is:

11-13 Crane Street

Greenwich

London

SE10 9NP

These financial statements were authorised for issue by the trustees on 5 November 2021.

#### **2 Accounting policies**

##### **Summary of significant accounting policies and key accounting estimates**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

##### **Statement of compliance**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102) - Second edition October 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

##### **Basis of preparation**

Trafalgar 2001 Trust Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

##### **Going concern**

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

##### **Exemption from preparing a cash flow statement**

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

## **Trafalgar 2001 Trust Limited**

### **Notes to the Financial Statements for the Year Ended 31 January 2021**

#### **Judgements and key sources of estimation uncertainty**

In the application of the company's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the periods in which the estimate is revised where revisions affects only that period, or in the period of the revision and future periods where the revisions affects both current and future periods.

#### **Income and endowments**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

#### **Donations and legacies**

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

#### **Grants receivable**

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

#### **Deferred income**

Deferred income represents amounts received for future periods and is released to incoming resources in the period for which, it has been received. Such income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions which must be met before the charity has unconditional entitlement.

#### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

## **Trafalgar 2001 Trust Limited**

### **Notes to the Financial Statements for the Year Ended 31 January 2021**

#### ***Raising funds***

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

#### ***Charitable activities***

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

#### ***Grant provisions***

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

#### ***Support costs***

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

#### ***Governance costs***

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings and reimbursed expenses.

#### ***Government grants***

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

#### ***Taxation***

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### ***Tangible fixed assets***

Individual fixed assets costing £1,000.00 or more are initially recorded at cost.

## **Trafalgar 2001 Trust Limited**

### **Notes to the Financial Statements for the Year Ended 31 January 2021**

#### **Depreciation and amortisation**

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

<b>Asset class</b>	<b>Depreciation method and rate</b>
Fixtures, fittings and equipment	25% straight line basis
Leasehold and other interests in land and buildings	10% straight line basis

#### **Trade debtors**

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### **Trade creditors**

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

## Trafalgar 2001 Trust Limited

### Notes to the Financial Statements for the Year Ended 31 January 2021

#### 15 COVID 19

During the year and subsequently the charity's activities have been affected by the outbreak of COVID 19. The charity was forced to suspend most public-facing activities as from March 2020 owing to the COVID-19. Pandemic. Income from facility hire was therefore seriously affected with no further income from this source being recorded up to the end of the financial year. The premises at Crane Street however remained on the list of emergency accommodation facilities maintained by the Royal Borough of Greenwich. It was therefore not possible to close completely and expenses for utilities continued to be incurred.

The enforced closedown of the facility provided the Trustees with an opportunity for substantial capital works to be undertaken, once commercial activity was again permitted, but prior to the relaxation of social distancing guidelines and legislation limiting recreational activities. A substantial refurbishment of the gymnasium took place, and a new fire/flood door was installed on the lower balcony to the Centre.

Post-year-end expenditure was also planned and is underway for a complete renewal of the weightlifting equipment.
