ABBREVIATED BALANCE SHEET (CONTINUED) AS AT 31 JULY 2005

In preparing these financial statements:

- (a) The director is of the opinion that the company is entitled to the exemption from audit conferred by Section 249A(1) of the Companies Act 1985;
- (b) No notice has been deposited under Section 249B(2) of the Companies Act 1985, and
- (c) The director acknowledges his responsibilities for:
 - (i) ensuring that the company keeps accounting records which comply with Section 221 of the Companies Act 1985, and
 - (ii) preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of Section 226, and which otherwise comply with the requirements of this Act relating to accounts, so far as applicable to the company.

These abbreviated accounts have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

The financial statements were approved by the Board on Statuly 06

Andrew Ainge

Director

NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 JULY 2005

Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable accounting standards.

1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

1.4 Research and development

Research expenditure is written off to the profit and loss account in the year in which it is incurred. Development expenditure is written off in the same way unless the director are satisfied as to the technical, commercial and financial viability of individual projects. In this situation, the expenditure is deferred and amortised over the period during which the company is expected to benefit.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets less their estimated residual value, over their expected useful lives on the following bases:

Land and buildings Leasehold

10% Straight line

Fixtures, fittings & equipment

25% reducing balance

Motor vehicles

25% reducing balance

1.6 Leasing and hire purchase commitments

Assets held under finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period. Hire purchase transactions are dealt with similarly, except that assets are depreciated over their useful lives.

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.7 Stock

Stock and work in progress are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow moving items.

1.8 Deferred taxation

The accounting policy in respect of deferred tax has been changed to reflect the requirements of FRS19 -Deferred tax. Deferred tax is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.
