### 1 Purpose of report

This report has been prepared in accordance with insolvency legislation to provide members and the Registrar of Companies with information relating to the progress of the liquidation in the period from 23 December 2016 to 22 December 2017.

This report has been prepared solely to comply with the statutory requirements of the relevant legislation. It has not been prepared for use in respect of any other purpose, or to inform any investment decision in relation to any debt or financial interest in the Company.

RSM Restructuring Advisory LLP was previously named Baker Tilly Restructuring and Recovery LLP until 26 October 2015.

Neither the Liquidators nor RSM Restructuring Advisory LLP accept any liability whatsoever arising as a result of any decision or action taken or refrained from as a result of information contained in this report.

2 Progress of the liquidation in the previous twelve months

### 2.1 Payments to creditors

Creditors were invited to submit their claims following appointment, when the notice of liquidation was advertised in the London Gazette

Creditor claims admitted by the Joint Liquidators totalled £3,813 63. All proven creditors have been paid in full, excluding statutory interest, which will be paid prior to the closure of this case, where applicable.

The claim of the landlord has not yet been agreed. A contingent claim may arise in connection with dilapidations with regards to 12 South Parade. At this stage, the liquidators are unable to quantify this claim.

### 2.2 Realisation of assets

### Cash at Bank

The Declaration of Solvency ("DOS"), based on the latest practicable figures, indicated that the company held £116,400 cash at bank, split between a business savings account and a current account. On appointment, all funds held by the company were remitted to the liquidation account, with a total of £92,210 being transferred. The amount transferred was less than scheduled in the DOS, due to essential payments made to employees and suppliers in the interim period between the swearing of the DOS and the date of liquidation.

### **Debtors**

No debtors were realised in the liquidation as the company was paid the outstanding balance prior to the liquidation date.

### Land and Property

The freehold property owned by the company at 38 Victoria Street, Littleborough was initially valued by independent agents, Landwood Group ("Landwood") at approximately £40,000. We are now aware that there are restrictive charitable covenants attached to the property. The trustees wish to gift this property to a similar charitable foundation.

The company held a lease of a property at 12 South Parade, Rochdale. The keys were returned to the landlord for the property to be re-let but it is still unoccupied. The liquidators have received a number of queries from parties interested in leasing the property and the details of the interested parties have been forwarded to the landlord. The liquidators are currently attempting to negotiate terms for settlement with the landlord as the property remains unlet, but no response has been received to our offer.

### Insurance Refund

This relates to a refund of bills from Allianz insurers due to the late vacation of property by the contractors following completion of works on 12 South Parade.

### **Photocopier**

Office equipment owned by the company held a book value of £500 at the date of appointment. Landwood were instructed to market the photocopier, and after receiving no third party interest, the agents have offered £150 to purchase the asset themselves. The joint liquidators have accepted this offer and funds should be remitted to the liquidation account shortly

### Rates Refund

This relates to a refund of rates 1 April 2016 to 23 Dec 2017.

### **Shares**

Age UK notified the liquidator of a compensation which was due to the company relating to a final settlement of surplus shares. This was paid in December 2017.

### Loss of income claim

Prior to the liquidation, the company was in correspondence with the insurance company in relation to a potential loss of income claim following the flood of the property at 12 South Parade. The liquidators investigated the prospect of a successful claim. Following information received from Age UK and investigation into the company's financial records during the relevant period of the claim, the liquidators concluded that the amount recoverable was negligible. In the circumstances, the liquidators have not pursued the claim.

### 2.3 Case specific matters

### **Property Holding Costs**

The liquidators have liaised with British Gas ("BG") regarding the electricity and gas bills received in connection with the properties. The bills were estimated and excessive, despite the properties being unoccupied. In addition, the bills were duplicated and not being made out to the company. This resulted in lengthy correspondence with BG. The liquidators sought meter readings for both properties via the agents for the liquidator and the landlord. Our agents are providing meter readings as and when requested. The bills are being paid when due.

### 2.4 Administration and planning

Time has been spent by the Joint Liquidators and their staff as categorised in the SIP9 summary attached as Administration and Planning. The time spent includes the following:

- preparation and submission of all necessary appointment documentation and notices
- file reviews which then help to determine the future strategy of the case
- overseeing the running of the Liquidation bank account including recording all receipts and payments and bank reconciliations
- general secretarial tasks and filing
- organising and review of the books and records of the Company
- Payment of utility bills and maintenance costs of properties.
- Other matters include reporting on the progress of the liquidation to members and creditors
- 3 Details of what remains to be done and matters preventing closure

### 3.1 Assets remaining to be realised

The property at 38 Victoria Street will need to be dealt with but the liquidators are not in a position to do this until the position with the leased premises at 12 South Parade is resolved.

#### 3.2 **Review of Solvency**

Under section 89 of the Insolvency Act under a Members' Voluntary Liquidation, all liabilities should be paid within 12 months. Despite our best efforts the Landlords claim remains unresolved, however the liquidators are of the opinion that the company is still solvent and the landlords claim can be discharged from the funds in hand.

Should the liquidator's opinion change, then the necessary meetings will be called to put the company in to insolvent liquidation.

#### Receipts and payments summary 4

We attach as Appendix C a summary of our receipts and payments for the period from 23 December 2016 to 22 December 2017.

### **VAT basis**

Receipts and payments are shown net of VAT as the Company was not VAT registered, and consequently VAT is not recoverable from HM Revenue and Customs. The irrecoverable VAT is shown in the receipts and payments account as a 'cost of realisation'.

## Appendix H

## Joint Liquidators' time cost analysis for the period from 23 December 2016 to 22 December 2017

Please note that we have re-designed our SIP9 analysis table to provide a more detailed analysis of the grades of staff within the firm. Please note that this change does not alter the value of time costs recorded, purely the column within the table to which that time, and cost, has been allocated.
