### Strategic report

#### Business review and principal activities

The Company is a wholly owned subsidiary of Severn Trent Plc.

The principal activity of the Company is to act as a holding company.

There have not been any significant changes in the Company's principal activities in the year under review. The Directors are not aware, at the date of this report, of any likely major changes in the Company's activities in the next year.

Severn Trent Plc manages its operations on a divisional basis and the Company's Directors do not believe that further key performance indicators for the Company are necessary to enhance the understanding of the development, performance or position of the business. The performance of the Business Services segment, which includes this Company, is discussed in Severn Trent Plc's Annual Report and Financial Statements (which does not form part of this report).

#### Results and dividends

The Company's profit for the financial year after taxation was £272,000 (2021: £298,000).

The Directors do not recommend the payment of a dividend (2021: nil).

#### Principal risks and uncertainties

#### Treasury management

The Severn Trent Group manages its treasury operations on a group basis. Financial risk management is performed by Severn Trent's Group Treasury department. This includes assessment and mitigation of price risk, credit risk, liquidity risk and interest rate cash flow risk. The Group's treasury management policies and operations are discussed in Severn Trent Plc's Annual Report and Financial Statements (which does not form part of this report).

#### Financial position and going concern

As at 31 March 2022, the Company has net liabilities of £19,881,000 (2021: £20,153,000) and net current assets of £75,000 (2021: £803,000).

The Directors have considered the financial position and future prospects of the Company. The Company participates in the Group's pooled banking arrangements and receives funding, when required, from the Severn Trent Group in the form of intra-group loans. When existing loans reach maturity the appropriate funding will be established as required to ensure such obligations can be met. After making enquiries, the Directors have a reasonable expectation that the Company has adequate resources, including financial resources available from other group companies, to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the report and annual financial statements.

### **Directors' report**

The Directors present their annual report and the financial statements of the Company for the year ended 31 March 2022.

#### Matters included in the Strategic report

The following matters are included in the Company's Strategic report on the preceding page:

- Business review and principal activities of the Company
- · Results and dividends
- Principal risks and uncertainties
- · Financial position and going concern.

#### **Directors**

The Directors who served during the year are shown on page 1.

#### **Directors' indemnities**

The Company's Articles of Association provide that directors of the Company shall be indemnified by the Company against any costs incurred by them in carrying out their duties, including defending any proceedings arising out of their positions as directors in which they are acquitted or judgment is given in their favour or relief from any liability is granted to them by the court. These indemnities were in force throughout the year and up to the date of signing of the financial statements.

#### **Environment**

The Company recognises the importance of its environmental responsibilities, monitors its impact on the environment and designs and implements policies to reduce any damage that might be caused by its activities. The Company operates in accordance with the group policies of Severn Trent Pic which are described in the Group's Annual Report and Financial Statements (which does not form part of this report).

#### Post balance sheet events

There have been no significant post balance sheet events.

# Severn Trent Services Holdings Limited Directors' report (continued)

#### Directors' responsibilities statement

The Directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- · make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting standards, including Financial Reporting Standard 101 Reduced Disclosure Framework has been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Notes to the financial statements

#### 1. Accounting policies

#### a) Accounting convention

The financial statements have been prepared on the going concern basis (see Strategic report) under the historical cost convention as modified by the revaluation of certain financial assets and liabilities at fair value, and in accordance with applicable United Kingdom Accounting Standards and comply with the requirements of the Companies Act 2006. The principal accounting policies, which have been applied consistently in the current and preceding year are set out below.

Severn Trent Services Holdings Limited (the Company) is a private company limited by shares incorporated in the United Kingdom under the Companies Act 2006 and is registered in England and Wales.

#### b) Basis of preparation

The Company is a wholly owned subsidiary of Severn Trent Plc and is included in the consolidated financial statements of Severn Trent Plc.

The Company meets the definition of a qualifying entity as defined in FRS 100 'Application of Financial Reporting Requirements', accordingly the Company has elected to apply FRS 101 'Reduced Disclosure Framework'. Therefore the recognition and measurement requirements of United Kingdom adopted International Financial Reporting Standards have been applied, with amendments where necessary in order to comply with Companies Act 2006 and The Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008 (SI 2008/410) as these are Companies Act 2006 accounts.

As permitted by FRS 101, the Company has taken advantage of the disclosure exemptions available under that standard in relation to share based payment, financial instruments, capital management, presentation of comparative information in respect of certain assets, presentation of a cash flow statement, standards not yet effective, impairment of assets and related party transactions.

Where required, equivalent disclosures are given in the Group financial statements of Severn Trent Plc which are available to the public and can be obtained as set out in note 16.

#### c) Finance income

Interest income is accrued on a time basis by reference to the principal outstanding and at the effective interest rate applicable. Interest income is included in finance income.

#### 1. Accounting policies (continued)

#### d) Taxation

Current tax payable is based on taxable profit for the year and is calculated using tax rates that have been enacted or substantively enacted by the balance sheet date.

Deferred taxation is provided in full on taxable temporary differences between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred taxation is measured on a non-discounted basis using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Current and deferred tax are recognised in profit or loss, except where they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

A deferred tax asset is only recognised to the extent it is probable that sufficient taxable profits will be available in the future to utilise it.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities.

#### e) Impairment of non-current assets

If the recoverable amount of goodwill, an item of property, plant and equipment, or any other non-current asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. Where the asset does not generate cash flows that are independent from other assets, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Recoverable amount is the higher of fair value less costs to sell or estimated value in use at the date the impairment review is undertaken. Fair value less costs to sell represents the amount obtainable from the sale of the asset in an arm's length transaction between knowledgeable and willing third parties, less costs of disposal. Value in use represents the present value of future cash flows expected to be derived from a cash-generating unit, discounted using a pre-tax discount rate that reflects current market assessments of the cost of capital of the cash-generating unit or asset.

The discount rate used is based on the estimated cost of capital adjusted for the risk profiles of the business.

Impairment reviews are also carried out if there is an indication that an impairment may have occurred, or, where otherwise required, to ensure that non-current assets are not carried above their estimated recoverable amounts.

Impairments are recognised in the income statement.

#### f) Borrowings

Borrowings are initially recognised at fair value less issue costs. After initial recognition, borrowings are subsequently measured at amortised cost using the effective interest rate method whereby interest and issue costs are charged to the income statement and added to the carrying value of borrowings at a constant rate in proportion to the capital amount outstanding.

#### 2. Critical accounting judgments and sources of estimation uncertainty

In the process of applying the Company's accounting policies, the Company has made no critical accounting judgments and there are no key sources of estimation uncertainty.

#### 3. Employee numbers

The average monthly number of employees (including Executive Directors) during the year was nil (2021: nil).
