**TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2023**

The Trustees present their annual report together with the financial statements of the Charitable Company for the 1 April 2022 to 31 March 2023 period. The Annual Report serves the purposes of both a Trustees' Report and a Directors' Report under company law. The Trustees confirm that the Annual Report and Financial Statements of the Charitable Company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019) as amended by Update Bulletin 1 (effective January 2019).

Since the Charitable Company qualifies as small under section 382 of the Companies Act 2006, the Strategic Report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

a. Policies and objectives

Foundation for Governance Research and Education's (FGRE)s policy is to provide thought leadership and support for governance best practice to directors responsible for the leadership of their organisations in the profit and not-for-profit sectors.

FGRE's primary focus is on governance in financial services. The key objective is to provide practical guidance via a series of seminars led by senior and experienced practitioners to existing and future directors, to stimulate their development and professional ethos.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Strategies for achieving objectives

The seminars focus on banks and building societies covering a range of size, ownership and business models. The initiative is endorsed by UK Finance (UKF), the official body representing the financial services industry. The seminars are held in association with Russell Reynolds Associates London, and carry the firm's seal of approval.

c. Activities undertaken to achieve objectives

The seminars provide an environment for main board directors to learn from each other on subjects of mutual interest. The education is tailored to deliver output of practical value.

d. Main activities undertaken to further the Charitable Company's purposes for the public benefit

Bank director guidance and support is the main activity of FGRE. This is tailored most particularly for chairs and non-executive directors. Further, FGRE complements the delivery of seminars with publications on bank governance.

Achievements and performance

a. Main achievements of the Charitable Company

Following the launch in September 2021, FGRE held two seminars, one on Bank Governance and Risk in May 2022, and a second on Bank Subsidiary Governance in February 2023, both of which fall into this accounting period 2022/2023. Another seminar on Bank Subsidiary Governance was held on 18th October 2023, which will fall into the next accounting period 2023/2024.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charitable Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies (Note 2.2).

b. Reserves policy

Progress is being made on increasing the level of financial resources. FGRE's exposure to the banks and senior levels in the industry past and present provides potential sources of funding, and seminar revenue.

At the appropriate time it is the intention of the Trustees to formalise a Reserves Policy.

c. Financial review

The Charitable Company had incoming resources of £28,776 during the period (2022: £11,267), all of which is unrestricted. Expenditure of £16,519 was incurred during the period (2022: £23,371). This resulted in a surplus for the year of £12,267.

The Charitable Company had negative closing reserves of £21,397 (2022 : £33,654), all of which were unrestricted.

It is intended that revenue from scheduled seminars for 2023/2024, donations and future seminars will eliminate the reserves deficit.

Structure, governance and management

a. Constitution

Foundation for Governance Research and Education is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association. In addition to a Statutory Board, FGRE operates with an Advisory Board, established in accordance with the constitution.

b. Methods of appointment or election of Trustees

The management of the Charitable Company is the responsibility of the Trustees who are elected and co-opted under the terms of the Memorandum of Association.

Having satisfied myself that the accounts of the Charitable Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Charitable Company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charitable Company's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charitable Company's Trustees those matters I am required to state to them in an Independent Examiner's Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charitable Company and the Charitable Company's Trustees as a body, for my work or for this report.

All income is recognised once the Charitable Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charitable Company's objectives, as well as any associated support costs.

Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
