NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 30 APRIL 2012

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated)

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost. No depreciation has been provided on the investment property as this asset represents freehold land.

Investment properties are included in the balance sheet at their open market value. Depreciation is provided only on those investment properties which are leasehold and where the unexpired lease term is less than 20 years.

Although this accounting policy is in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), it is a departure from the general requirement of the Companies Act 2006 for all tangible assets to be depreciated. In the opinion of the directors compliance with the standard is necessary for the financial statements to give a true and fair view. Depreciation or amortisation is only one of many factors reflected in the annual valuation and the amount of this which might otherwise have been charged cannot be separately identified or quantified.

1.4 Going concern

The company is operating with a negative balance sheet. The directors are continually supporting the company financially and therefore consider the company's financial statements are prepared under the going concern basis.
