#### **Directors Responsibilities**

Company law requires the director to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the director is required to:

- \* select suitable accounting policies and then apply them consistently;
- \* make judgments and estimates that are reasonable and prudent;
- \* prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable him to ensure the financial statements comply with the companies Act 1985. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In preparing this report the director has taken advantage of special exemptions applicable to small companies.
