**Report of the trustees (incorporating the directors' report)**  
**for the year ended 30 April 2013**

---

The trustees present their report and the financial statements for the year ended 30 April 2013. The trustees, who are also directors for the purposes of company law and who served during the year and up to the date of this report are set out on page 1 - 2.

**Structure, governance and management**

*Senior Management*

The Council has delegated the day to day management of the operations of the charity to the Chair and Secretary of the Council

*Appointment of Trustees*

As set out in the Articles of Association the Council may appoint a person who is willing to act to be a trustee either to fill a vacancy or as an additional trustee. A Council member so appointed will hold office only until the next Annual General Meeting

*Trustee Induction and Training*

New trustees are encouraged to spend time with the chair of Council, who will guide them through the induction process which includes visits to the operational charities and time with their senior management teams

*Organisation*

The Council administers the charity and sets up sub-committees and working groups as necessary. The Council has delegated the day to day management of the subsidiary charities to the Local Boards of Trustees and their senior management teams

*Governance and Internal Control*

Financial and other risks are kept continually under review as part of the operation of the Charity, including where necessary, procedures to mitigate identified risks

**Objectives and activities**

*Objects and activities*

The charity's objects are the advancement of the Christian faith worldwide through the ministry of communities of Christians whose shared lives in the fellowship of the Holy Spirit communicate the love of God revealed in Christ Jesus

These objects are fulfilled through three operating subsidiary charities. The participation and prayer support of the Lee Abbey Friends continues to be a powerful tool for meeting these objects

**Achievements and performance**

*Achievements and performance*

The Council has continued to keep a watchful eye on the new governance structures introduced in 2006, and has been greatly encouraged by the positive way in which the three subsidiary Boards have developed in confidence and initiative. This has been due, in no small part, to the leadership of the Chairs of the Boards: Simon Holland (London), Ruth Worsley (Households) and James Denniston (Devon), and to the commitment and skills of Board members. Council places on record its sincere appreciation of the dedication, care and skill they bring to their respective Boards.

Achieving the right mix of experience, skill, age and gender in the Boards and Council requires regular review. The supportive relationships Boards have with local management teams and communities, led by their respective Wardens and leaders, is important in achieving successful outcomes.

*Movement*

A major development for the charity was the appointment of the first Movement Missioner. Revd Annie Naish took up post in November 2011 and during 2012/13 has continued to support individual subsidiaries in their missions, for example, by working with dioceses on establishing new Small Missional Communities and leading mission teams drawn from all parts of the Movement.

The annual Movement Weekend was held at Lee Abbey Devon in November 2012. At this event, news was shared of activities in the last year and lives affected by our ministries in all three subsidiary charities. Praise and thanks to God is given for His faithfulness and abundant provision throughout another year.

The charity held a 24 hour residential Discernment Day in April 2012 to help determine future priorities. The principal outcome was an affirmation of the current ministries and their projected development. Council has been working through the outcomes of the Discernment Day and has established a Governance Task Group to make recommendations on developments in organisation and processes.

For most of the current year the Charity has been operating with an Acting/Interim Chair. The post was advertised and suitable individuals also sought through other means. Unfortunately it has not yet been possible to make an appointment.

*Devon*

During the year the Devon Warden, Revd David Rowe, his senior management team and wider leadership have reviewed the implementation of their vision, setting specific goals and targets to ensure that the delivery of Devon's ministries are effective. The senior management team has been strengthened by the appointment of Phil Crook as Business Director and Revd Rob Eastwood Dewing as Pastoral Director is now well established. It has been further strengthened by the appointment of Phil Park as Estate and Buildings Director. Lee Abbey Devon has continued to offer a wide variety of conferences, retreats, courses and Christian holidays, in the main house, Beacon and at the Youth Camps.

The major building works carried out in the early part of 2012 have been of great benefit. They included fully refitting the kitchen, renovating the dining room, adding an Orangery, which can also be used as an extension to the dining room, and adding en-suites to five single rooms. During 2012/13 a new hydroelectric scheme was installed.

God's working week by week is evident in the lives of our guests, both those with a long standing relationship with Christ and those who are seeking Him for the first time. Lee Abbey Devon has also sought to reach out to those who are unable to come to visit and has actively sought opportunities for Community members to go out on missions and church weekends to support Christians in their own churches and towns. It has also sought to develop the Christian discipleship of Community members through spiritual formation groups and other training. Prayer has continued to be at the heart of the life of the Community which gathers for prayer each morning midday and evenings. As part of the rhythm of prayer within the Community, the guests are prayed for on a regular basis.

*London*

The Lee Abbey London Community aims to ensure that the students and visitors have the opportunity to explore the Christian faith through individual discussions, study groups and worship. Lee Abbey London has continued to provide pastoral support to students. As in previous years, many different nationalities and Christian denominations are represented on the Community. This international element is of great value in fulfilling the aim to provide a Christian-based "home from home" for our international guests. It also gives valuable opportunities for intercultural enrichment and deeper international understanding for students and Community members alike.

During the year the London Board and Council have continued to consider how best to provide "fit for purpose" buildings which actively support the ministry. This consideration is on-going.

*Households*

Both at Aston and Knowle West, the basis of a Lee Abbey Household Community is to "BE" a Christian presence, and thus to serve both the community and support the local Churches. Both communities have been involved in a wide range of activities in their local areas.

In November 2012 the Households Board and Council concluded a ministry partnership agreement a Small Missional Community in Acton Vale, West London led by Revd Mark Bishop, an Ordained Pioneer Minister. The Movement Missioner, Revd Annie Naish, has also been exploring possible new partnerships in Doncaster and Cheltenham.

*Public benefit*

Lee Abbey Movement is the holding charity of its three subsidiary charities. Its primary activity has been the oversight of its operating subsidiaries including the monitoring of their activities for public benefit. In monitoring those activities the Council have kept well in mind the Charity Commission's general guidance on public benefit, and in particular its supplementary guidance on the advancement of religion and fee-charging.

The beneficiaries of the charity include the members of all Communities as well as those who are served by the Household Communities. At the heart of the ministry of the charity is an encouragement and equipping of members of Communities to grow in their Christian faith and to develop positive values, attitudes and skills and a lifelong commitment to show the love of God in Christ by serving other people from any background or culture. They also obtain work skills as well as skills in ministry and worship that they can use in the future.

The Council view our bursary schemes as important in ensuring that where ever possible all those who seek to benefit from the mission who would otherwise not be able to afford the fees are able to come to Lee Abbey. In 2012/13 bursaries amounting to £152,852 (2012 £112,135) were given. Bursaries are considered following application to the Wardens in London and Devon.

The Lee Abbey Movement has made a number of direct grants in carrying out its charitable purposes during the year. Most of the grants have been made to its three subsidiaries to assist them in fulfilling their charitable objectives for the benefit of the public in the particular ways specified in their trustees' reports. The Council considers that each of these grants has been for the benefit of the public within the guidelines issued by the Charity Commissioners.

**Financial review**

*Financial review*

The Lee Abbey Movement made a deficit of £14,823 (2012 - £12,418 deficit) on unrestricted funds and a deficit of £20,244 (2012 - £24,305 surplus) on restricted funds. The Consolidated Statement of Financial Activities shows a surplus of £152,634 (2012 - £124,595) on unrestricted funds and a deficit of £51,307 (2012 - £61,899 deficit) on restricted funds for the year.

*Principal funding sources*

Lee Abbey Movement's principal funding sources continue to be Friends' donations and contributions from our subsidiary charities. The group's principal funding sources continue to be donations, legacies and fee income. In London fees rose to £1,465,360 (2012 - £1,410,109). In Devon the House and Beacon fees fell to £1,492,848 (2012 - £1,437,977). Legacies have been a vital source of income amounting to £7,039 (2012 - £55,747), but fluctuate significantly and cannot be budgeted for. We continue to be grateful to The Lee Abbey Friends for donations amounting to £130,896 (2012 - £130,261).

*Reserves*

The running costs of The Lee Abbey Movement are financed by contributions from our subsidiary charities. As such the charity requires only minimal unrestricted reserves.

In consultation with the Trustees of the subsidiary charities, Council has reviewed the group's reserves in the light of the main risks to the organisation and future developments, and has designated reserves the following of which remain at the end of the year:

- a fund equal to the net book value of the group's fixed assets, which cannot be used to fund expenditure without being sold,
- a fund equal to the unrealised surplus on the revaluation of the group's freehold land and buildings.

---

The Group seeks to maintain liquid unrestricted funds at the level of three months expenditure which provides sufficient funds to cover unexpected costs and other expenditure which arise from time to time. At the end of the year there was 9.6 months (2012 - 6.9 months) of expenditure in cash and free reserves.

**Plans for future periods**

The Council looks forward to receiving regular reports and recommendations from the subsidiary Boards and Working Groups. All three subsidiary Boards are facing significant challenges and Council will need to play an appropriate role of guidance and, where necessary, approval. In particular, this will be required for the next stages in the Devon development master plan, the future development of households, and needed refurbishment of the London Club.

Lee Abbey will continue to pursue the key issues for exploration and action following the 60th Anniversary Conference in May 2006 in Devon.

- Remembering and revisiting our roots
- Being open to the wounds of the poor and learning more about 'being on the edge'
- Sharing what God has given us with the wider Church - 'punching our weight'
- Listening to the voice of younger people
- Strengthening the link with past members of Community
- Developing our partnership with A Rocha
- Upholding the whole Movement with Prayer

**Statement as to disclosure of information to auditors**

In so far as the trustees are aware

- there is no relevant audit information of which the charity's auditors are unaware, and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

**Statement of trustees' responsibilities**

The trustees are responsible for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period. In preparing these financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Auditors**

**Independent auditor's report to the trustees of  
The Lee Abbey Movement**

We have audited the group and parent entity financial statements of the The Lee Abbey Movement for the year ended 30 April 2013 which comprise the Consolidated Statement of Financial Activities, the Consolidated and Company Balance Sheet, the consolidated cash flow statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with chapter 3 of part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**Respective responsibilities of the trustees and auditors**

As explained more fully in the trustees' Responsibilities Statement (set out in the Trustees Report), the trustees (who are also directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB'S) Ethical Standard for Auditors.

**Scope of the audit of financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error.

This includes an assessment of whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the trustees, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Trustees' Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

**Opinion**

In our opinion the financial statements

- give a true and fair view of the state of the group's and the parent charitable company's affairs as at 30 April 2013 and of the group's incoming resources and application of resources, including its income and expenditure, for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been properly prepared in accordance with the Companies Act 2006.

**Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of trustees' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit,
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in preparing the directors' report

**1. Accounting policies**

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and the preceding year.

**1.1. Basis of accounting**

The financial statements are prepared under the historical cost convention, except for the revaluation of certain fixed assets and except for investments which are included at market value, and in accordance with the Statement of Recommended Practice 'Accounting and Reporting by Charities' issued in March 2005 (SORP 2005) and the Companies Act 2006.

**1.2. Basis of consolidation**

These financial statements consolidate the results of the charity and its wholly owned subsidiaries: the Lee Abbey Fellowship, the Lee Abbey International Students' Club and Lee Abbey Household Communities on a line by line basis.

A separate statement of financial activities and income and expenditure account are not presented for the charity itself following the exemptions afforded by section 408 of the Companies Act 2006 and section 397 of the Statement of Recommended Practice - Accounting and Reporting by Charities (SORP 2005).

**1.3. Fund accounting**

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without further specific purpose and which the charity may use for its purpose at its discretion.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

### **1.4. Incoming resources**

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income.

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Gifts donated for resale are included as incoming resources within activities for generating funds when they are sold.

Income from the charity shop is included in the year in which it is receivable.

Income from investments is included in the year in which it is receivable.

Legacies are included when the charity is advised by the personal representative of an estate that payment will be made or property transferred and the amount involved can be quantified.

### **1.5. Resources expended**

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes including the charity's shop.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Fundraising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management.

**1.6. Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost or valuation less residual value of each asset over its expected useful life, as follows

Land and buildings	-	2.5% reducing balance
Major buildings improvements	-	ten to fifteen years
Fixtures, fittings and equipment	-	25% reducing balance
Motor vehicles	-	25% reducing balance

Freehold land is not depreciated

**1.7. Investments**

Investments held as fixed assets are revalued at mid-market value at the balance sheet date and the gain or loss taken to the statement of financial activities

**1.8. Stock**

Stock is valued at the lower of cost and net realisable value

**1.9. Defined contribution pension schemes**

The pension costs charged in the financial statements represent the contribution payable by the charity during the year

### **1.10. Defined benefit pension scheme**

The Lee Abbey Movement participates in the Church of England Funded Pensions Scheme and employs 5 members of the Scheme out of a total membership of approximately 10,000 active members

The Church of England Funded Pension Scheme is a defined benefit scheme but The Lee Abbey Movement is unable to identify its share of the underlying assets and liabilities - each employer in that scheme pays a common contribution rate. A valuation of the Scheme was carried out as at 31st December 2006. This revealed a shortfall of £141m, with assets of £468m and a funding target of £609m, assessed using the following assumptions

- An investment strategy of a nil allocation to gilts for the next 10 years, increasing linearly to reach 30% after 20 years, and the balance of the assets in equities,
- Investment returns of 4.25% pa on gilts and 5.75% pa on equities,
- RPI inflation of 3.1% pa (and pension increases consistent with this),
- Increase in pensionable stipends 4.6% pa, and
- Post-retirement mortality in accordance with the PA00 tables, adjusted so that members are assumed to be two years younger than they actually are, with allowance for future improvements according to the "modern cohort" projections, and subject to a minimum annual improvement in mortality rates of 1% for males and 0.5% for females

For schemes such as the Church of England Funded Pension Scheme, paragraph 9(b) of FRS 17 requires The Lee Abbey Movement to account for pensions costs on the basis of contributions actually payable to the Scheme in the year

Following the results of the valuation, and some agreed changes to benefits, Lee Abbey Movement contribution rate decreased from 39.8% to 39.7% of pensionable stipends with effect from 1st April 2008

The Freehold Land and Buildings held by the Lee Abbey Fellowship includes freehold land with a book value of £165,000

Freehold Land and Buildings held by Lee Abbey International Students Club are included at their 1989 valuation plus additions to date. The 1989 valuation was made at an open market value based on a continuing existing use. The trustees have chosen not to adopt a policy of stating freehold property at current valuation and are maintaining them under the transitional provisions of FRS 15.

The Freehold Land and Buildings held by the Lee Abbey International Students' Club includes freehold land with a book value of £1,300,000.

Depreciation is not charged on freehold land.
