Richminster Properties Limited

Directors' responsibilities statement for the year ended 31 March 2023

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes forming part of the financial statements for the year ended 31 March 2023

1 Accounting policies

Richminster Properties Limited is a private company limited by shares and incorporated in England & Wales under the Companies Act. The address of the registered office is given on the contents page and the nature of the company's operations and its principal activities are set out in the directors' report. The financial statements have been prepared in accordance with FRS 102, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the company's accounting policies, as detailed in note 2. The following principal accounting policies have been applied:

Financial liabilities and equity

Financial liabilities and equity are classified according to the substance of the financial instrument's contractual obligations, rather than the financial instrument's legal form.

Going concern

At 31 March 2023 the company had both net current liabilities and net liabilities of £4,483,376 (2022 - £4,482,965).

The financial statements have been prepared on a going concern basis. In considering the appropriateness of the going concern assumption, the directors have taken into consideration the company's cash flow forecasts and the company's present level of funding. The shareholders have indicated that they will not withdraw the existing financial support to the company for at least a year from the date of approval of these financial statements. The directors therefore are confident that they have sufficient working capital and consider that adequate longer term funding will remain in place and consequently the company will continue as a going concern. No adjustments have been made to the carrying value of both assets and liabilities, that might be required should the going concern basis be inappropriate.

2 Judgements in applying accounting policies and key sources of estimation uncertainty

There are no judgements or key sources of estimation uncertainty in the financial statements.
