**NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2014**

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of services, excluding value added tax. Income is recognised at the point when an invoice is raised for the goods.

Tangible fixed assets

Plant and machinery is being depreciated at 33% on cost. Land and buildings are depreciated on a straight line basis over 15 years as this is the estimated useful life of the building to the company.

Deferred tax

Full provision is made for deferred tax assets and liabilities arising from all material timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are not discounted.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.

Directors pension contributions

During the financial year, the company paid contributions on behalf of two of its directors. At the balance sheet date, there were no prepaid or outstanding contributions (2013: £NIL).

Going concern

After making enquiries the directors have a reasonable expectation that the company has adequate resources to continue in existence for the foreseeable future. Accordingly they continue to adopt a going concern basis in preparing the report of the directors and financial statements.
