Balance Sheet (continued)

Director's statements required by Section 249B(4)
for the year ended 31st March 2006

In approving these financial statements as director of the Company I hereby confirm:

(a) that for the year stated above the Company was entitled to the exemption conferred by Section 249A(1) of the Companies Act 1985;

(b) that no notice has been deposited at the registered office of the Company pursuant to Section 249B(2) requesting that an audit be conducted for the year ended 31st March 2006 and

(c) that I acknowledge my responsibilities for:

(1) ensuring that the Company keeps accounting records which comply with Section 221 of the Companies Act 1985, and

(2) preparing financial statements which give a true and fair view of the state of affairs of the Company as at the end of the financial year and of its profit or loss for the year then ended in accordance with the requirements of Section 226 and which otherwise comply with the requirements of the Companies Act 1985, so far as applicable to the Company.

The abbreviated financial statements have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

The financial statements were approved by the Board on 4th October 2006 and signed on its behalf by

C. Nye..........Director

The notes on pages 6 to 11 form an integral part of these financial statements.

**Notes to the Abbreviated Financial Statements
for the year ended 31st March 2006**

1. Accounting Policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005).

1.2 Turnover

Turnover represents the total invoice value, excluding value added tax, of sales during the year.

1.3 Goodwill

Acquired goodwill is written off in equal annual instalments over its estimated useful economic life of 20 years.

1.4 Tangible fixed assets and depreciation

Depreciation is provided on the reducing balance method at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Office equipment - 25% per annum

1.5 Stock

Stock is valued at the lower of cost and net realisable value.

1.6 Deferred taxation

Deferred taxation arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the Company's financial statements. Deferred taxation is provided in full on timing differences which result in obligations to pay more taxation at a future date, at the average taxation rates that are expected to apply when the timing differences reverse, based on current rates and laws.
