NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 MARCH, 2010

1. Accounting Policies

Basis of accounting

The financial statements are prepared under a going concern basis, under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). Compliance with SSAP 19 'Accounting for Investment Properties' requires departure from the requirements of the Companies Act 2006 relating to depreciation and an explanation of the departure is given in the investment properties accounting policy note below

Turnover

Turnover represents rent receivable

Investment properties

Investment properties have been included in the balance sheet at cost in the year of acquisition and at valuation on the basis of open market value in subsequent years. The directors consider that to depreciate investment properties would not give a true and fair view and accordingly the provisions of SSAP 19 have been adopted.

Fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life as follows,

Fixtures & fittings & equipment

50% straight line basis

Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the year end. All differences are taken to profit and loss account.
