NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 JULY 2011

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Basis of preparation of the financial statements

The financial statements have been prepared on a going concern basis, which assumes that the company will remain in operational existence for the forseeable future. Due to losses made during the year and the reliance on the continuing support of existing funders, this brings in to question the going concern basis of the company. The directors have pledged their continuing support.

On this basis, the directors believe it is appropriate for the financial statements to be prepared on a going concern basis

12 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts

1.3 Goodwill

Goodwill is written off in equal annual instalments over its estimated useful economic life of ten years. The goodwill was acquired in 2003.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows.

Land and buildings Freehold 2% on cost
Plant and machinery 25% on cost
Computer equipment 25% on cost
Fixtures, fittings & equipment 15% on cost

1.5 Stock and work in progress

Stock is valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items
