1. INTRODUCTION

1.1 Introduction

This report has been prepared in accordance with Rule 2 47 of the Rules to provide creditors with an update on the progress of the Administrations of the Companies since our last report to creditors dated 30 March 2012

Given the information previously provided to creditors in our earlier reports to creditors, we have not included detailed background information in respect of the Companies and have focussed on progress of the Administrations subsequent to those reports

The Administrators' proposals, as approved following the meetings of creditors held on 20 April 2010, are detailed in section 2.1 below

On the basis that there remained unrealised assets of the Companies which were not sold before 18 February 2011, the one year anniversary of the Administrations, the Administrators submitted an application to the Court seeking to extend the period of the Administrations by two years in accordance with paragraph 76(2)(a) of Schedule B1 of the Act. This is discussed further at section 5.1 below

A schedule of statutory information in respect of the Companies is attached at Appendix 1

1.2 Details of the appointment of the Administrators

Matthew David Smith, Nicholas Guy Edwards and Louise Mary Brittain of Deloitte were appointed Joint Administrators of the Companies following a creditor application by Bank of Scotland Plc, The Mound, Edinburgh, EH1 1YZ on 19 February 2010

The Court having conduct of the proceedings is the High Court, Strand, London EC2A 2LL (case numbers 1464, 1462, 1463 and 1461 of 2010)

For the purposes of paragraph 100(2) of Schedule B1 of the Act, the Administrators confirm that they are authorised to carry out all functions, duties and powers by any of them jointly and severally

2. THE ADMINISTRATORS' PROPOSALS

2.1 Introduction

As previously reported to creditors, the Administrators concluded that the purpose of the Administrations was to achieve a better result for the creditors than would be obtained through an immediate winding up of the Companies

Consequently, the Administrators have performed their functions in relation to the Companies with the objective set out in paragraph 3(1)(b) of schedule B1 of the Act, which is to achieve a better result for the Companies' creditors as a whole than would be likely if the Companies were wound up (without first being in administration)

The Administrators' proposals in order to achieve this objective for each of the Companies, approved by the creditors of the Companies at the meetings held on 20 April 2010, are as follows

Conduct of the Companies' business and affairs

- The Administrators shall continue to manage the affairs and assets of the Companies in such manner as they consider expedient with a view to achieving a better result for the Companies' creditors as a whole than would be likely if the Companies had been liquidated,
- The Administrators shall continue to realise the assets of the Companies, collect or compromise any outstanding pre and post appointment book debts, utilise realisations of assets, where appropriate, and settle any administration expenses where such expenses are incurred for the purpose of the administrations,
- The Administrators may investigate and, as appropriate, pursue any claims that the Companies may have,
- The Administrators continue with their enquiries into the conduct of the directors of the Companies and continue to assist any regulatory authorities with their investigation into the affairs of the Companies,

Dealing with Claims

- The Administrators may agree the claims of the secured, preferential and unsecured creditors (where applicable) and the costs of doing so shall be met as a cost of the administrations as part of the Administrators' remuneration, unless the Administrators conclude, in their reasonable opinion, that the Companies will have no assets available for distribution.
- The Administrators may apply to Court for permission under paragraph 65(3) of Schedule B1 of the Act to distribute funds to unsecured creditors whilst in administration (where applicable),
- 7 The Administrators may distribute funds to the secured and preferential creditors as and when claims are agreed (where applicable),

Committee and Remuneration

- A creditors' committee be established for those Companies where there are sufficient creditors willing to act on it. The Administrators propose to seek the election of a creditors committee for each Company and to consult with it from time to time to assist as appropriate the Administrators in discharging their functions. A creditors' committee will comprise of not more than five and not less than three creditors of that Company,
- The Administrators' remuneration be fixed under Rule 2 106 of the Insolvency Rules 1986 by reference to the time properly spent by the Administrators and the various grades of their staff calculated at the prevailing hourly rates of Deloitte LLP for work of this nature and that disbursements for services provided by the Administrators' firm

(defined as Category 2 disbursements in Statement of Insolvency Practice No 9) be charged in accordance with the Administrators' firm's policy. It will be for the creditors' committee, if one is appointed, to fix the basis and level of the Administrators' fees and Category 2 disbursements,

If a Creditors' Committee is not appointed at the meeting of creditors, the creditors shall fix the Administrators' remuneration by reference to the time properly given by the Administrators and their staff in attending to matters arising in the administration, calculated at the prevailing standard hourly charge out rates used by Deloitte LLP at the time when the work is performed and that the Administrators be authorised to draw their remuneration, plus VAT, from the administration estate, on a monthly basis, together with disbursements incurred which relate specifically to the case Furthermore, the creditors shall fix the Administrators' disbursements for mileage to be fixed by reference to mileage properly incurred by the Administrators and their staff in attending to matters arising during the administration, calculated at the prevailing standard mileage rate used by Deloitte LLP at the time when mileage is incurred (presently up to 40p per mile), plus VAT where applicable. And that the Administrators be authorised to draw their/his disbursements for mileage from the administration estate.

Extension and Exit Procedures - the Bloomsbury Companies

- The Administrators shall continue the administrations for such period of time as necessary to achieve the purpose for which the administration orders were made, and if necessary make an application to the Court to extend the terms of the administrations beyond the one year statutory term,
- The Administrators may take steps to apply to Court to place the Bloomsbury Companies into Compulsory Liquidation or Creditors' Voluntary Liquidation ("CVL"),
- If any of the Bloomsbury Companies are placed into CVL, The Bloomsbury Administrators will become the Joint Liquidators of the Bloomsbury Companies and any act required or authorised to be done by the Joint Liquidators may be done by either any or all of them, and any creditors' committee appointed will become a Liquidation Committee pursuant to Paragraph 83(8) (f) of Schedule B1 of the Insolvency Act. As per paragraph 83(7) of Schedule B1 of the Act and R2 117 (3) of the Rules, the creditors may nominate a different person as the proposed Liquidator, provided that the nomination is made after the receipt of these proposals and before the proposals are approved, i.e. before the meeting of creditors or any subsequent adjournment. For the purposes of s231 of the Act the Joint Liquidators will each be authorised to carry out all functions, duties and powers either jointly or severally.
- Should it not be considered appropriate to place the Bloomsbury Companies into liquidation, after the completion of the realisation of assets and distribution of funds to secured, preferential and unsecured creditors, if applicable, and as quickly and as efficiently as is reasonably practicable, the Bloomsbury Administrators may apply to Court under paragraph 84 of Schedule B1 of the Act to end the administrations and for the Bloomsbury Companies to be dissolved,
- The Administrators be discharged from liability in respect of any action of theirs as Administrators on vacation of office (whether because they vacate office by reason of resignation, death or otherwise, because they are removed from office or because their appointment ceases to have effect) in accordance with paragraphs 98 and 99 of Schedule B1 of the Act,

There have been no receipts or payments during the course of the Administrations of both Holdings and Intermediate Co

In this section, we have summarised the main asset realisations during the six month period

Pre Appointment VAT Refund

As we have previously reported, HM Revenue and Customs were not in a position to deal with Bloomsbury's pre appointment VAT refund claim prior to the resolution of the corporation tax claim. Following the resolution of that claim, a refund of £956,591 has now been received

Other Asset Realisations

Bank interest of £36,425 has been received in Bloomsbury. A refund of £16,890 has been recovered in British Seafood in respect of an overpayment made to the company's former accountants. In addition, British Seafood has received bank interest of £129 in the period of this report.

Accordingly there will be no recoveries to the Companies. The Administrators have paid £159,436 in respect of costs relating to the hearing in the previous reporting period. The Administrators are still awaiting the final level of costs for the hearing.

4. DISTRIBUTIONS TO CREDITORS

4.1 Secured creditors

Secured claims have now been agreed and a first and final distribution of £3,246,625 has been made by Bloomsbury

No funds were available for a distribution in the other Companies

4 2 Preferential creditors

4.3 Prescribed Part

The Prescribed Part (section 176A of the Insolvency Act 1986 (Prescribed Part) Order 2003) applies where there are floating charge realisations, net of costs to be set aside for unsecured creditors. For each company this equates to

- 50% of net property up to £10,000, plus
- 20% of net property in excess of £10,000,
- Subject to a maximum of £600,000

None of the secured creditors of the Companies has a floating charge over the property of that company. Therefore, any realisations (net of costs) which are not subject to fixed charge security will be available to the unsecured creditors, and it will not be necessary to make a Prescribed Part payment.
