PRINCIPAL ACTIVITY AND REVIEW OF THE BUSINESS

The Company is engaged in investment activities.

The profit for the year amounted to €625 (2018: €581).

The company's sole remaining trading subsidiary, Screenvision Portugal SA filed for insolvency on 2 April 2012, this is expected to be resolved in 2019. Following this it is the intention of the director to liquidate the company. The company accounts have been prepared on a breakup basis and the effect of this is explained in note 3.

DIVIDENDS

The director does not propose a dividend for the year (2018: €Nil).

FINANCIAL INSTRUMENTS

The Company's principal financial instruments include financial assets and liabilities such as trade receivables, trade payables and borrowings arising from its operations. The Company is not exposed to material risk on the assessment of the assets, liabilities, financial position and profit or loss of the company and its subsidiary undertakings.

Liquidity risk

The Company is funded by share capital and through a borrowing of € 104,877 (2018: € 105,502) from Screenvision Holdings (Europe) Limited, the immediate parent undertaking.

Brexit Risk

The terms on which the United Kingdom may withdraw from European Union are not clear, and it is not therefore possible to assess all the potential implications to the Company's trade.

Interest rate risk

The Company is exposed to interest rate variation but does not use interest rate derivatives. Interest charge is mainly relating to an inter-company loan with the parent company.

POLICY AND PRACTICE ON PAYMENT OF TRADE PAYABLES

The Company's policy in relation to all its suppliers is to settle the terms of payment when agreeing the contractual terms and to abide by those terms provided that the supplier has provided the goods and services concerned.

There were no expenses in the year. The average credit period taken on payables is consistent with group standards and terms of contracts/invoices.

DIRECTORS

The director of the Company who served during the year was Thierry Pasquet.

- have been properly prepared in accordance with IFRSs as adopted by the European Union; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

THE IMPACT OF UNCERTAINTIES DUE TO BRITAIN EXITING THE EUROPEAN UNION ON OUR AUDIT

The Director's view of the impact of Brexit is disclosed on page 2.

The terms on which the United Kingdom may withdraw from European Union, are not clear, and it is not therefore possible to all the potential implications to the Group's and the Company's trade, customers, suppliers and the wider economy. We considered the impact of Brexit on the Group and the Company as part of our audit procedures, applying a standard firm wide approach in response to the uncertainty associated with the Group's and Company's future prospects and performance.

EMPHASIS OF MATTER : BASIS OF PREPARATION

We draw attention to note 3 of the financial statements which explains the director's intention to liquidate the company and therefore do not consider it appropriate to adopt the going concern of accounting in preparing the financial statements. Accordingly, the financial statements have been prepared on a basis other than going concern as described in note 3. Our opinion is not modified in respect of this matter.

OTHER INFORMATION

The director is responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

OPINIONS ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

- in our opinion, based on the work undertaken in the course of the audit:
- the information given in the Director's Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
 - the Director's Report has been prepared in accordance with applicable legal requirements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Director's Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of director's remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the director was not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemption in preparing the Director's Report and from the requirement to prepare a Strategic Report.

RESPONSIBILITIES OF DIRECTORS

As explained more fully in the directors' responsibilities statement set out on page 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the director is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

b) Foreign currency

Transactions in foreign currencies are recorded at the exchange rates ruling on the dates of the transactions. Gains and losses arising on translation are included in net profit or loss for the period.

SCREENVISION GROUP (EUROPE) LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2019

c) Consolidated financial statements

In accordance with section 400 the Companies Act 2006, the Company is exempt from preparing consolidated financial statements as the Company is a wholly owned subsidiary of Screenvision Holdings (Europe) Limited, which is registered in England and Wales. The Company is included in the consolidated financial statements of Screenvision Capital SAS. Consequently, these financial statements only disclose information about the Company and not about its group.

d) Trade and other payables

Trade and other payables are measured on initial recognition at fair value and are subsequently measured at amortised costs using the effective interest rate method. Trade payables are due to vendors in respect of operating expenses. Payables are recorded according to the terms negotiated with them.

e) Provisions

Provisions are recognised when the Company has a present obligation as a result of a past event, and it is probable that the Company will be required to settle that obligation. Provisions are measured at the director's best estimate of the expenditure required to settle the obligation at the balance sheet date and are discounted to present value where the effect is material.

f) Taxation

The tax expense represents the sum of the tax currently payable and movement in deferred tax. The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. Determination of deferred tax is based on a balance sheet approach. When the carrying value of an asset is higher than tax value or the carrying value of a liability is lower than tax value then a deferred tax liability must be recorded. When the carrying value of an asset is lower than tax value or the carrying value of a liability is higher than tax value then a deferred tax asset must be recorded. Deferred taxes include not only current tax situations but also potential tax situations (where operations would lead to future tax expense or revenue if certain conditions are met or if certain decisions are taken). A deferred tax asset is recognised only if it is probable that taxable profits will be available to enable the asset to be recovered. Tax is calculated according to the current rate of corporation tax.

3. CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

Critical judgements in applying the Company's accounting policies. In the process of applying the Company's accounting policies which are described in Note 2, management has made the following judgements that have the most significant effect on the amounts recognised on the financial statements:

a) Going concern and impairment of assets

As described in the Directors' Report on page 2, Screenvision Group (Europe) Limited's only costs, beyond the funding requirements of its subsidiaries, are nil. The director confirms after making the enquiries of the management of Screenvision Holdings (Europe) Limited that they will not ask repayment of the loans in the 12 months from the date of approval of these financial statements. The company has prepared its accounts on a break-up basis as it is the director's intention to close the business once the liquidation of a subsidiary has been concluded. There has been no impact on the financial statements on the adoption of this basis.

SCREENVISION GROUP (EUROPE) LIMITED

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2019

b) Impairment of assets

The Company's investments were all fully impaired in prior years and remain impaired further to the Director's assessment of the Company's subsidiaries' cash position, expected future cash flows and cash funding requirements in the next twelve months.

c) Accounting for provision and contingencies

A provision can be recognised only if the liability is of uncertain timing or amount, if the obligation comes from past events and not from uncertain future events, if the amount can be reasonably estimated and if a cash out can be reasonably expected.

4. OPERATING PROFIT/LOSS

This is stated after charging:

	2019 €000	2018 €000
Audit fees	-	-
Professional advisers' services	-	-
Provision on other inter-company receivable	-	-

The Company had no employees during the year and no staff costs were incurred (2018: Nil). The director did not receive any remuneration from the Company or its subsidiaries for their services to the company for the year ended 31 December 2019 (2018: Nil).
