#### **Turnover policy**

The turnover shown in the profit and loss account represents revenue earned during the period, exclusive of VAT.

#### **Intangible fixed assets amortisation policy**

Intangible fixed assets [including purchased goodwill and patents] are amortised at rates calculated to write off the assets on a straight basis over their estimated useful economic lives, not to exceed twenty years. Impairment of intangible assets is only reviewed where circumstances indicate that the carrying value of an asset may not be fully recoverable.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability. Rentals paid under operating leases are charged to the profit & loss account on a straight line basis over the period of the lease. Research & Development Expenditure on research and development is written off in the year in which it occurred.
