Directors' report

The directors present their annual report and the audited financial statements for the year ended 30 June 2012. This directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption.

Principal activities

Abingworth Bioventures IIA GP Limited (the "Company") acts as the general partner of a Scottish limited partnership, Abingworth Bioventures IIA LP.

Business review

The Company made a profit after taxation of £3,164 (2011 profit of £89). The directors consider the results satisfactory.

Going Concern

The directors of the Company have acknowledged the latest guidance on going concern. While the current volatility in financial and world markets has created general uncertainty, the directors consider the Company's financial position to be sound. The directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

Further details regarding the adoption of the going concern basis can be found in the Statement of accounting policies in the financial statements.

Financial risk management

The Company does not use any derivative financial instruments or debt finance and as the major costs are met by the holding company, there are minimal cash flow risk and liquidity risk.

Dividends

The directors do not recommend a dividend payment (2011: £nil).

Indemnity

The directors have been covered by liability insurance throughout the year and the policy of insurance remains in force.

Future prospects

The Company will continue to act as the general partner of Abingworth Bioventures IIA LP.

Directors

The directors of Abingworth Bioventures IIA GP Limited who served throughout the year and to the date of this report are:

S W Bunting
J F Abell
D F J Leathers

Abingworth Bioventures IIA GP Limited

Directors' report (continued)

Disclosure of information to auditor

Each of the persons who is a director at the date of approval of this report confirms that

- 1 so far as the director is aware, there is no relevant audit information of which the Company's auditor is unaware, and
- 2 the director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the Company's auditor is aware of that information

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006

Auditor

A resolution to re-appoint Deloitte LLP as the company's auditor will be proposed at the forthcoming Annual General Meeting

Approved by the Board of Directors
and signed on behalf of the Board

Statement of directors' responsibilities

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditor's report to the members of Abingworth Bioventures IIA GP Limited

We have audited the financial statements of Abingworth Bioventures IIA GP Limited for the year ended 30 June 2012 which comprise the Profit and Loss Account, the Balance Sheet and the related notes 1 to 13. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 30 June 2012 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Independent auditor's report to the members of Abingworth Bioventures IIA GP Limited (continued)

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the directors were not entitled to take advantage of the small companies exemption in preparing the directors' report

Notes to the accounts Year ended 30 June 2012

1. Accounting policies

The financial statements are prepared in accordance with applicable United Kingdom law and accounting standards. The particular accounting policies adopted are described below and have been consistently adopted in the current and prior years.

Accounting convention

The financial statements are prepared under the historical cost convention.

Going concern

The Company's business, together with the factors likely to affect the future development, performance and position are set out on page 2 of the Directors' Report. The Company is also part of a Group headed up by Abingworth Management Holdings Limited and its subsidiary undertakings (together the "Group") which has considerable financial flexibility and access to additional sources of finance. As a consequence, the Company is well placed to manage its business activities despite the current uncertain economic outlook. After making enquiries, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and financial statements.

Turnover

Turnover comprises the Company's share of profits made by Abingworth Bioventures IIA LP.

Abingworth Bioventures IIA GP Ltd is the general partner of Abingworth Bioventures IIA LP (the "Fund"). Under the Fund's limited partnership agreement, Abingworth Bioventures IIA GP Ltd is entitled to receive a "General Partner's Share". The General Partner's Share comprises the first charge on net income and capital gains of the Fund, an annual profit share equivalent to a fixed amount of \$5,000. If net income and capital gains less capital losses in any accounting period are less than the General Partner's Share, the deficiency is paid as an interest free loan, which is recoverable only against future allocations of net income and capital gains. As these advances are not repayable under the terms of the limited partnership agreement, the advances are recognised as turnover as they are earned.

Investments

Investments held as fixed assets are stated at cost less provision for any impairment in value.

Cash flow statement

The Company has taken advantage of the exemption granted within Financial Reporting Standard 1 (Revised) Cash Flow Statements not to prepare a cash flow statement as its ultimate parent company produces consolidated accounts, which include a cash flow statement, which are publicly available, and into which the Company's results are fully consolidated.

Taxation

The charge for taxation is based on the profit for the period and takes into account deferred taxation that arises because of timing differences between the treatments of certain items for taxation and accounting purposes.

Current tax is provided at amounts expected to be paid (or received) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred taxation is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

Notes to the accounts Year ended 30 June 2012

1. Accounting policies (continued)

Foreign exchange

Transactions denominated in foreign currencies are translated into sterling at the rates ruling at the dates of the transactions or at a contracted rate, if appropriate

Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are translated at the rates ruling at that date. All translation differences are recognised in the profit and loss account for the period

2. Turnover

In the opinion of the directors, the Company activities as described in the Directors' Report can be regarded as a single business segment

In addition, the Company operated in the United Kingdom which in the opinion of the directors can be regarded as a single geographical market
