TRUSTEES ANNUAL REPORT FOR THE YEAR ENDED 31 JULY 2013

The trustees (who are also directors) of the charity submit their report and financial statements of the Higher Education Policy Institute for the year ended 31 July 2013

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The trustees have paid due regard to Charity Commission guidance on public benefit in deciding what activities the charity should undertake. The Institute is a charitable company limited by guarantee, incorporated 5 August 2002. The Company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Recruitment and Appointment of Trustees / Trustee Induction and Training

No new trustees were appointed during the financial year ended 31 July 2013

Organisational Structure

The number of trustees shall not be less than three or more than five. They meet on a quarterly basis to administer the charity. An advisory board (appointed by the trustees) advises the trustees on the business of the Institute. The first Chief Executive of the Institute was appointed by the Higher Education Funding Council for England and each successive Chief Executive will be appointed by the trustees. The Chief Executive is responsible for the day-to-day running of the charity, and is accountable to the trustees collectively for the use of the charity's resources.

Risk management

The Institute has assessed the risks which might have a material impact. These are reviewed on an annual basis during the production of the Budget, to ensure the future stability and sustainability of the organisation

OBJECTIVES AND ACTIVITIES

The Institute was established to promote higher education both in the United Kingdom and abroad for the public benefit by identifying relevant policy issues, sourcing existing research into those issues or, where no such research exists or it is inadequate for the purpose, carrying out, commissioning or fostering such research, and ensuring that such issues and research are brought to the attention of policy makers and other interested parties. To that end we conduct or commission research, keep in touch with research conducted by others, produce reports, and ensure they are widely disseminated to key players, arrange seminars to ensure that the evidence is widely understood, maintain bilateral contacts with policy makers and those who influence and are affected by higher education policy, and place articles in the press and use other media for information dissemination. Details of significant activities undertaken during the financial year are given more fully below.

ACHIEVEMENTS AND PERFORMANCE

HEPI's mission is to ensure as far as possible that higher education policy development in the UK is informed by research and by knowledge of the experience of others. This brief note reports some of our main activities and achievements over the past year.

Reports

Although not primarily a research body, HEPI has some research capability, and six major publications have been produced during the year following research carried out internally, as well as two occasional reports produced by distinguished figures in higher education. All are available on our website

TRUSTEES ANNUAL REPORT FOR THE YEAR ENDED 31 JULY 2013

Seminars and Conferences

HEPI's aim is to ensure a better understanding of some of the key issues in higher education, and each year organises a range of events attended by some of those most closely involved in conducting higher education research and developing policies for higher education. These have this year included

- A conference on "Research Funding and Assessment The Future"
- II A series of policy seminars held in the House of Commons
- III A conference on "Admissions to higher education", in collaboration with the HEA and Which?

Impact

HEPI's advice and views in relation to its reports and higher education issues more generally are regularly sought by the media. HEPI continues to succeed in its aim to reach a wide audience and influence the terms of the policy discussion. Senior members of all political parties have publicly relied on HEPI analysis in statements and speeches, and have also consulted HEPI informally. HEPI's overseas consultancy work is both well known and in demand, and helps to inform our activities in the UK.

FINANCIAL REVIEW

Principal Funding Sources

In the financial year in question HEPI generated over 300,000 pounds of additional funds through its own activities. HEPI has implemented a new fundraising and development strategy with the intention of replacing the HEFCE grant through a Partnership Programme. Eleven corporate bodies and nearly eighty universities and university related bodies (up from 20 the previous year) have taken up membership of the Partnership Programme, and while the future is by no means secure, the scheme has been well-received so far and recruitment continues. HEPI's other activities are largely self-funding and generate a surplus of delegate fees and sponsorship from events and consultancy activity outside the UK. However, the current financial climate means that income is uncertain, and conservative budgets have been drawn up to reflect this

Reserves Policy

The Institute's policy on reserves is that reserves should be used to supplement recurrent income to enable the Institute to meet its mission and conduct its activities to that end. HEPI currently holds reserves equivalent to 6 month's expenditure, but this is expected to reduce

Investment Policy

Under the memorandum and articles of association, the charity has the power to make any investment which the trustees see fit

PLANS FOR FUTURE PERIODS

To continue to conduct and disseminate research to further the aims of the Charity as described above

To run the 2013 Annual Lecture and make plans for the next one in 2014,

To run two revenue-generating conferences

To maintain and develop relationships with existing and potential partner companies and universities

To raise additional funds by seeking sponsorship from businesses and by increasing the proportion of time devoted to semi-commercial activities related to HEPI's core function (e.g. consultancy work, conferences) without changing the fundamental character of HEPI as a policy institute

TRUSTEES ANNUAL REPORT FOR THE YEAR ENDED 31 JULY 2013

DIRECTORS/TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors for the purposes of company law) are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to

select suitable accounting policies and then apply them consistently, observe the methods and principles in the Charities SORP, make judgements and estimates that are reasonable and prudent, state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. The trustees are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware

there is no relevant audit information of which the charitable company's auditor is unaware, and the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information

AUDITORS

Shaw Gibbs LLP were re-appointed as reporting auditors to the charitable company during the year and have expressed their willingness to continue in that capacity

SMALL COMPANY PROVISIONS

This report has been prepared in accordance with the special provisions for small companies under part 15 of the Companies Act 2006 and in accordance with the Statement of Recommended Practice Accounting and Reporting for Charities (issued March 2005)

n behalf of the board

Professor Sir Ivor Martin Crewe

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF THE HIGHER EDUCATION POLICY INSTITUTE

We have audited the financial statements of the Higher Education Policy Institute for the year ended 31 July 2013 which comprise primary statements such as the Statement of Financial Activities, the Balance Sheet, and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (effective April 2008)

This report is made solely to the members of the Higher Education policy, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the entity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the entity's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of trustees and auditors

As explained more fully in the Statement of Trustees' Responsibilities the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the entity's affairs as at 31 July 2013 and of its income and expenditure for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities, and
- have been prepared in accordance with the requirements of the Companies Act 2006
- in all material respects, income has been applied in accordance with the Institution's Memorandum and Articles of Association

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF THE HIGHER EDUCATION POLICY INSTITUTE (CONTD.)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of trustees' remuneration specified by law are not made, or
- · we have not received all of the information and explanations we require for our audit, or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption in preparing the directors' report

NOTES TO THE FINANCIAL STATEMENTS (CONTD.) FOR THE YEAR TO 31 JULY 2013

1 ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements have been prepared under the historical cost convention and in accordance with the Financial reporting Standard for Smaller Entities (effective April 2008), Companies Act 2006 and follow the recommendations in Accounting and Reporting by Charities Statement of Recommended Practice issued in March 2005

INCOMING RESOURCES

Incoming resources in the period shown in the Statement of Financial Activities represents funds received from the partnership schemes, consultancy fees and other miscellaneous sources

Income from grants is recognised in full in the statement of financial activities on a receivable basis according to conditions imposed by the donor

Income from partnership scheme is recognised when the company obtains a right to consideration in exchange for its performance. Any amounts received in advance are deferred to future periods

RESOURCES EXPENDED

Expenditure is directly attributable to specific activities and is charged to those cost categories

FUNDS

Unrestricted funds are built up from incoming resources received or generated for the charitable purpose

Restricted funds are funds used for specified purposes as laid down by the donor. Expenditure meeting the criteria is charged against the fund, together with a fair allocation of overheads and support costs.

FIXED ASSETS

All fixed assets are initially recorded at cost

DEPRECIATION

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of the asset as follows

Computer equipment Fixtures and fittings

3 years straight line

5 years straight line 5 years straight line

OPERATING LEASE AGREEMENTS

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against income on a straight line basis over the period of the lease

PENSION COSTS

Equipment

One employee is a member of the Principal Civil Service Pension Scheme (PCSPS). The PCSPS, is a multi-employer defined benefit scheme (treated for accounting purposes as a defined contribution scheme). Contribution rates are determined from time to time by the Government Actuary and advised by the Treasury.

NOTES TO THE FINANCIAL STATEMENTS (CONTD.) FOR THE YEAR TO 31 JULY 2013 TAXATION

The company is exempt from taxation on its surplus, as the company is a registered charity (approved 25 September 2003)

FOREIGN CURRENCIES

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating surplus.
