Notes to the abbreviated accounts

For the year ending 31 August 2010

₁ Accounting policies

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standards for Small Entities (effective January 2005)

The financial statements have been prepared on a going concern basis, the validity of which may depend on the recoverability of cash reserves held in an offshore bank account. The original amount of £488,901 has been written down by 25% as the directors are of the opinion that 75% of this balance is recoverable. The remaining balance of £366,676 has been reclassified to other debtors—due after more than one year.

According to the director the company has continued trading beyond the financial year end and is expected to make adequate profit in future years to reverse the net deficit position which exists at the balance sheet date. The director has also confirmed that he will continue to provide financial support for a period of not less than 12 months from the date of the signing of the accounts. On this basis it is appropriate to prepare the financial statements on a going concern basis.
