Notes to the Abbreviated Financial Statements for the Year Ended 31st March 2008**1 Accounting Policies****a) Basis of preparation**

These financial statements have been prepared in accordance with the historical cost convention and the Financial Reporting Standard for Smaller Entities (effective January 2007). The policies adopted by the director within that convention are stated below.

b) Turnover

Turnover all arises within the UK, and is related to the principal activity.

c) Taxation

The charge for corporation tax is based on the profit for the year. No account has been taken of deferred taxation as the director does not consider that any potential liability will be material.

d) Depreciation

Depreciation is calculated to write off the cost of an asset over its useful life. The rate applied, on a reducing balance basis, in the year was 25%.

e) Cash flow statement

The director has claimed the exemption, available under Financial Reporting Statement Number One, from preparing a cash flow statement on the grounds that the company falls within the small company parameters.

2 Debtors

Debtors are all due within one year.
