1. Accounting policies

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

The company is dependent on the continued support of its fellow subsidiary company, Confidential Solutions Limited, which was owed £50,000 by the company at the balance sheet date. There is no intention by Confidential Solutions Limited to seek repayment of the balance until the company is in a position to have sufficient funds and Confidential Solutions Limited will continue to provide ongoing support to the company for the foreseeable future. The going concern basis is therefore considered to be appropriate.

Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year.

Fixed assets

All fixed assets are initially recorded at cost.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, net of anticipated disposal proceeds, over the useful economic life of that asset as follows:

Computer Equipment - 33 33% straight line

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
