1 Introduction

This report sets out an account of our acts and dealings and of the conduct of the liquidation for the period from 2 August 2011 to 1 August 2012

2. Statutory information

Company name	DB Fascias Limited
Registered office	257b Croydon Road, Beckenham Kent BR3 3PS
Registered number	04540704
Date of liquidators' appointment	2 August 2010

3 Receipts and payments

We attach as Appendix A to this report a summary of our receipts and payments

Receipts and payments are shown net of VAT, with any amount due to or from HM Revenue and Customs (HMRC) shown separately. The Company was VAT registered, and consequently VAT is recoverable from HMRC

4. Asset realisations

Please refer to our previous progress report for full details of the asset realisations since the date of our appointment

There have been no asset realisations for the period of this report

Director's loan account (estimated to realise uncertain)

You will note from our previous progress report that the director, Mr David Bryan, had entered into an Individual Voluntary Arrangement (IVA) with his creditors. A report from the Supervisor of the IVA issued on 27 February 2012 advised that a first interim dividend to creditors would be paid within four months of the final date for proving being 30 March 2012. We have requested an update from the Supervisor in relation to this dividend

5. Dividends to creditors

Secured

Lloyds TSB Bank plc, who hold a floating charge over the Company's assets, have submitted a claim for £12,108.75

Preferential

There are no preferential claims in this matter

Unsecured

We have received claims from four unsecured creditors

totalling £98,379.82 to date. The remaining 10 creditors detailed in the statement of affairs with claims estimated at £12,420 in total have yet to submit statement of claim forms. From information currently to hand, it would appear unlikely that a dividend will become payable to any class of creditor

Prescribed part

There are provisions of the insolvency legislation that require a liquidator to set aside a percentage of a company's assets for the benefit of the unsecured creditors in cases where the company gave a "qualifying floating charge" over its assets to a lender on or after 15 September 2003. This is known as the "prescribed part of the net property". A company's net property is that left after paying the preferential creditors, but before paying the lender who holds a floating charge. A liquidator has to set aside

- 50% of the first £10,000 of the net property, and
- 20% of the remaining net property up to a maximum of £600,000

Given that the estimated net property in this case is currently less than the prescribed minimum of £10,000, the prescribed part provisions do not currently apply

6. Investigations

We have considered the information acquired in the course of appraising and realising the Company's assets together with information provided by creditors and the Company's professional advisors. We have also made enquiries of the Company's directors by sending questionnaires

We made an initial assessment of whether there could be any matters that might lead to recoveries for the liquidation and what further investigations may be appropriate

In determining the extent of the investigations in the circumstances of this case we are taking account of the public interest, potential recoveries, the funds likely to be available to fund an investigation and the costs involved. We concluded that no further investigations or action would be appropriate or likely to result in a recovery for the benefit of the liquidation

We can confirm that we have fulfilled our statutory obligations and made the appropriate submission to the Directors Disqualification Unit of UK Department for Business Innovation & Skills under the provisions of the Company Directors Disqualification Act on all those who were directors of the Company in the three years leading up to our appointment. The contents of this report are confidential and cannot be disclosed

7. Other work carried out by the Joint Liquidators

Administration and Planning

Following our appointment, all statutory duties were carried out in accordance with the legislation. We have also dealt with the set-up of this case on our internal systems and carried out periodic reviews. Cashiering matters have been undertaken and the designated liquidation account has been reconciled.

Creditors

An initial report to creditors was issued following our appointment as Joint Liquidators and this is the second annual progress report to be circulated. It has also been necessary to record incoming creditor claims on our systems and deal with general creditor correspondence and telephone calls.

8. Joint Liquidators' remuneration and disbursements

Details of all resolutions passed by creditors in relation to remuneration and disbursements are included at Appendix C.

Remuneration

Pre liquidation

The sum of £5,000 plus VAT has been drawn from asset realisations in respect of the pre-liquidation costs of Bailey Ahmad Limited in accordance with the relevant resolution passed by creditors.

Post liquidation

We attach at Appendix B a creditors' guide to insolvency procedures and the remuneration of office holders for your information. The underlying basis of charging is our firm's standard charge-out rates and the guide provides details of these, both former and current. We believe that this case is of average complexity and no exceptional responsibility has fallen upon us as Joint Liquidators to date.

At Appendix E to this report, we attach details of the time expended during the period from 2 August 2011 to 1 August 2012 and at Appendix F, we attach a cumulative breakdown of time costs. These breakdowns are provided in accordance with SIP 9.

You will note that we have incurred time costs in the period 2 August 2011 to 1 August 2012 of £1,769 plus VAT and we have not drawn any remuneration in this period.

Disbursements

Pre liquidation

Statutory advertising costs of £76.50 plus VAT were initially paid by our firm to Courts Advertising Limited. This cost has not been re-charged to the liquidation and will be written off.

A fee of £500 plus VAT has been paid to Arque Consulting from asset realisations in accordance with the resolution passed by creditors.

Post liquidation

Please refer to our previous progress report for details of disbursements incurred since the date of our appointment.

The disbursements incurred during the period from 2 August 2011 to 1 August 2012, excluding VAT, are as follows:

Amounts paid by office holders' firm		
Type	Supplier	£
<u>Category 1</u>		
N/A		
<u>Category 2</u>		
Storage of records	Prestige Services Group Limited	180.00
Total		<u>180.00</u>

No disbursements have been met from case funds during the period of this report.

Storage of records

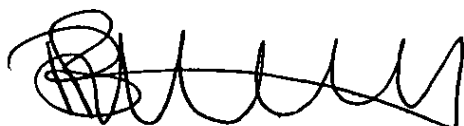

The Joint Liquidators are legally obliged to retain the Company's books and records for the duration of the liquidation and 15 months following the final meetings of the Company.

Creditors' right to request further information and challenge our remuneration and expenses

Pursuant to Rule 4.49E of the Insolvency Rules 1986, creditors should note that they have the right to request further information regarding our remuneration and expenses under this Rule and to challenge our remuneration and expenses under Rule 4.131. Appendix B provides details of where creditors can access more detailed information regarding their rights to request further information and challenge our remuneration and expenses.

Disbursements

There are two types of disbursements, Category 1 and Category 2 disbursements. Category 1 disbursements are generally external supplies of incidental services that are specifically identifiable to the case against which they are being charged. These include insolvency bonds, swearing fees, redirection of mail, accommodation, subsistence, company searches, hire of external meeting rooms or any other miscellaneous item which is by nature a Category 1 disbursement paid out in respect of the administration of the estate. Creditor approval of Category 1 disbursements is not required.

Category 2 disbursements are those which, whilst being in the nature of expenses or disbursements include an element of shared or allocated costs. Approval of the committee, or the creditors if there is no committee, is required before Category 2 disbursements can be drawn. Bailey Ahmad will seek to recover the following Category 2 disbursements: Storage of company books and records at the insolvency practitioners' own storage facility. The books and records will be stored in standard storage boxes and a storage fee of £5 per box per month will be charged. This charge covers the transportation of records from the company's premises, storage, retrieval of books and records in storage for administration purposes and the destruction of such books and records after expiration of the statutory retention period. The recharge of travelling by motor vehicle on business for the administration of the insolvency will be charged to the estate at 40p per mile. Other Category 2 disbursements such as photocopying and postage will not be recharged.
