1 ACCOUNTING POLICIES

The Financial Statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities. A summary of the more important accounting policies, is set out below

a) Accounting Convention

The financial statements have been prepared using the historical cost convention

b) Foreign Currency Translation

Issued share capital is translated into Sterling at the rate of exchange ruling on the date of issue

Income received and expenditure incurred in foreign currencies is translated into Sterling at the rate of exchange ruling on the date the transaction took place

c) Investments

The investments are stated at cost. No consolidated financial statements have been prepared as to do so would cause undue cost and delay and would be of no material value to the members of the company

In the director's opinion the company can take advantage of the exemptions relating to small and medium sized groups, provided by section 248 of the Companies Act 1985, not to prepare group financial statements
