1 Accounting policies

These accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002), adopting the following principal accounting policies.

1.01 Depreciation

Depreciation of fixed assets has been provided at various rates which are anticipated to amortise the cost over the assets' expected useful lives. Indicative annual rates are:—

Office equipment	15% reducing balance basis
------------------	----------------------------

1.02 Turnover

Turnover comprises sales to customers of goods and services net of value added tax.

1.04 Deferred taxation

Deferred tax is recognised as a liability or asset if the transactions or events that give an obligation to pay more tax in future or a right to pay less tax in future have occurred by the balance sheet date, although deferred tax is not provided on timing differences arising when a fixed asset is revalued without there being any commitment to sell the asset.
