S G O'Connell - Director

Notes to the Abbreviated Accounts for the Year Ended 30 June 2010

ACCOUNTING POLICIES

Basis of preparing the financial statements

The accounts have been prepared on the going concern basis, the validity of which depends upon the continuing support of the directors and creditors of the company. If the going concern basis is proved not to be valid, adjustments would have to be made to restate the value of the assets to their recoverable amount, to provide any further liabilities that may arise and reclassify fixed assets as current assets.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

1

Turnover represents net invoiced sales of goods and services excluding value added tax

Intangible fixed assets

Amortisation of the website expenses is provided at the following annual rates in order to write off the website over its estimated usage

Website costs - 33% on cost

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter

Plant and machinery

- 25% on reducing balance

Fixtures and fittings

- 33% on cost and 25% on reducing balance

Motor vehicles

25% on cost

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate

Government grants

Capital based grants are credited to the profit and loss account in equal instalments, over the estimated useful life of the related asset. Grants of a revenue nature are credited to income in the period to which they relate

Factored debts

Trade debtors are factored with recourse
