- (a) by establishing a self-regulatory professional association for weight management clinics for the proper care, treatment and education of persons who are suffering obesity ("the beneficiaries");

Report of the Trustees for the year ended 30 November 2010 (Continued)

Review of Activities

As reported last year all donations have ceased and OMA is, at present, totally reliant on its members for income. Membership income was £10,745 and outgoings were reduced to £977.

The trustees consider OMA to be financially sound and in a good position to achieve its short term objectives.

Financial Review

2010 was very much a transition year with very little activity apart from improving the website. The AGM was cancelled in September 2010 and will now be held in April 2011.

This meeting will decide on a new plan of action for the next 18/24 months.

Reserves Policy

The Trustees have reviewed the charity's needs for reserves in line with guidance issued by the Charity Commission. It is considered that the target for free reserves should remain at a level which represents six months projected operating expenditure. At the balance sheet date free reserves stand at approximately twenty two months projected expenditure and are therefore higher than the reserves policy.

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under that law the Trustees have elected to prepare financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that period. In preparing these financial statements, the Trustees are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities Acts 1993 and 2006 and the Charity (Accounts and Reports) Regulations 2008. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the Statement of Recommended Practice Accounting and Reporting by Charities (March 2005) and in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006.
