1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007)

The directors have received confirmation from the parent company that the amount due to that company will not be withdrawn whilst there is a deficiency of net assets. With this support, the accounts have been prepared on a going concern basis.

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable accounting standards.

1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.
