These financial statements were authorised for issue by the board on 28 November 2023.

#### **2 Accounting policies**

##### **Summary of significant accounting policies**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the periods presented, unless otherwise stated.

##### **Basis of preparation**

These financial statements were prepared in accordance with the Financial Reporting Standard 101 Reduced Disclosure Framework (FRS101). The financial statements have been prepared under the historical cost convention, and in accordance with the Companies Act 2006.

##### **Principal activity**

The company is dormant and no further trade anticipated.

## **Tandberg Products UK Limited**

### **Notes to the Unaudited Financial Statements for the Period from 31 July 2022 to 29 July 2023 (continued)**

#### **2 Accounting policies (continued)**

##### **Summary of disclosure exemptions**

In these financial statements, the company has taken advantage of the disclosure exemptions available under FRS 101 in relation to share-based payment, business combinations, non-current assets held for sale, financial instruments, fair value measurements, capital management, revenue from contracts with customers, presentation of comparative period reconciliations for share capital, tangible fixed assets, intangible assets and investment property, presentation of a cash-flow statement, the effects of new standards not yet effective, impairment of assets and disclosures in respect of the compensation of key management personnel and of transactions with a management entity that provides key management personnel services to the company.

##### **Going concern**

The company has considerable financial resources, being that it is funded by its ultimate parent company Cisco Systems Inc. The company is no longer trading and become dormant and has a static balance with its immediate parent Cisco International Limited.

The directors have a reasonable expectation that the company has adequate resources for the foreseeable future. Thus continue to adopt the going concern basis in preparing the annual financial statements.

##### **Changes in accounting policy**

None of the standards, interpretations and amendments effective for the first time from 31 July 2022 have had a material effect on the financial statements.

## **Tandberg Products UK Limited**

### **Notes to the Unaudited Financial Statements for the Period from 31 July 2022 to 29 July 2023 (continued)**

#### **2. Accounting policies (continued)**

##### **Foreign currency transactions and balances**

The financial statements are presented in Pounds Sterling (£) which is also the company's functional currency.

Transactions in foreign currencies are initially recorded at the functional currency rate prevailing at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated into the respective functional currency of the entity at the rates prevailing on the reporting period date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing on the initial transaction dates.

Non-monetary items measured in terms of historical cost in a foreign currency are not retranslated.

##### **Tax**

The tax expense for the period comprises tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates taxable income.

##### **Share capital**

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

##### **Dividends**

Dividend distribution to the company's shareholders is recognised as a liability in the company's financial statements in the period in which the dividends are approved by the company's shareholders.

#### **3 Critical accounting judgements and key sources of estimation uncertainty**

The preparation of financial statements in conformity with FRS 101 requires the use of certain accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. No areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are identified.
