ACHIEVEMENT AND PERFORMANCE

Charitable activities

OASIS OF HOPE FOUNDATION IN SANTA MARTA, COLOMBIA.

2020 has been unprecedented due to the many changes we have had to make to the charity in Colombia because of the Covid-19 pandemic. Clearly the safety of our students and staff have been a priority in how we responded. We have ensured that our work was delivered in a safe and secure way adopting infection control strategies.

Since March we have therefore been using Zoom and other methods of online communication to hold virtual classes for students. We are pleased to report that this has been highly effective.

A safe and secure covid-19 protocol has been devised and implemented that will allow the safe and secure return of students to in-person teaching commencing: MARCH, 2021.

At present we have 300 students registered at the Oasis of Hope School.

In December 2020, 13 students graduated from the Oasis of Hope school, with the majority of them going on to university or further education!

In 2020 we further updated some of the rooms at the foundation - focusing on health and safety required by Colombian law. Also, a former storeroom was converted to a computer salon where we have 24 workstations installed and internet connection in place. This was to address the need for more IT access to enable students and the school to keep pace with the expectations and demands of modern teaching methods.

We currently have 14 available classrooms with 3 sets of toilets. The administration block consists of director's office with toilet, secretary's office with toilet, waiting room, teachers rest room and library, plus the IT facility and Administration block.

At present we have 24 teachers employed at the Oasis de Esperanza school, plus school principal, academic coordinator, psychologist, health & safety officer, secretary and cleaner.

The kitchen staff are volunteers who receive a small donation for their loyal contribution to the work.

Community and evangelistic outreaches are conducted several times a month.

The Foundation employs an administrator, two administration workers, nurse and 5 security staff. This allows value plus services to be provided to the students and the wider community from which they are drawn including health checks and interventions to promote good health. Clearly the security staff are required to ensure the building, students and staff are safe when within the school grounds.

CHILDREN'S EDUCATION & OUTREACH PROGRAMMES

Oasis of Hope Foundation provides support and outreach programmes across various communities within the Atlantic coast area of Colombia. The charity works within communities that have and are experiencing enduring physical and social deprivation. The partnerships which have been developed within the community are both empowering and enabling. The projects that come under the banner of Oasis of Hope Foundation are:

The Trustees/Directors closely monitor income and expenditure to ensure the appropriate measures are taken when necessary.

The Trustees/Directors consider the financial performance of the charity during the year has been satisfactory. REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2020

FUTURE PLANS

Future Plans In the coming year Oasis of Hope Foundation intend to continue to:

- deliver its life changing work in various communities within the Atlantic coast area of Colombia.
- build on the number of students that graduate. Many of these students come from families living in abject poverty. Graduating successfully gives them life changing options in securing further education or work.
- deliver excellent education developing best practice and ensuring students and staff remain safe in the context of covid-19. Oasis of Hope will continue to help students attain their full potential, through this it will not only release them from the shackles of poverty but will have an added benefit of slowly changing the communities in which they come from.
- positively impact the local communities in which the projects work within providing support and practical help which will alleviate poverty not just in the short term but give communities independence in the future.

In addition Oasis of Hope is seeking to secure additional funding to enable us to provide:

- Funding to the Island Project which will enable a church building to be established in a poverty stricken area allowing community support to fulfil spiritual, social and physical needs of the community.
- To secure funding to provide IT equipment for the Oasis of Hope School in Santa Marta. This will allow students to further develop key skills that will enable them to keep pace with a changing world and further their education.

Oasis School of Hope intends to employ a 'site manager' who will be looking after all the installations and making sure they are in good working order. We believe this will be cost effective going forward as it will allow issues arising on the site to be addressed in a timely fashion thereby eliminating costs which will arise from lack of timely intervention.

Covid-19 is not a challenge that will disappear but the projects under the banner of Oasis of hope will continue to provide life changing work in a safe and secure way. Clearly funding is more under threat during this time but Oasis of Hope is proactively seeking to secure grant funding as well as continuing to secure the individual gifts it relies on. This funding will allow it to continue to deliver its core services as well as to provide aspirational goals. The need continues and indeed deepens in the current context of covid-19 we see ourselves as pivotal to continuing to be the solution within the communities in which we work.

**STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 DECEMBER 2020**

The trustees (who are also the directors of Oasis Of Hope Foundation-UK for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
OASIS OF HOPE FOUNDATION-UK (REGISTERED NUMBER: 04626166)**

Independent examiner's report to the trustees of Oasis Of Hope Foundation-UK ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2020.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
