#### Notes to the Abbreviated Accounts

For the year ending 31 March 2010

## 1 Accounting policies

#### Basis of preparing the financial statements

These accounts have been prepared on a going concern basis despite the company's net liabilities at 31 March 2010 as the director is of the opinion that the company has the full support of its bankers and creditors and that measures now taken to reduce costs will enable the company to return to profitability. In addition, the director has agreed to subordinate the amount of £17,257 due to him by the company in favour of all legitimate third party creditors.

### Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

#### Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

#### Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business in 2002, is being amortised evenly over its estimated useful life of ten years.

#### Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

## Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

### Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

### Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Plant and machinery 25% on reducing balance Fixtures and fittings 25% on reducing balance Motor vehicles 25% on reducing balance
