These accounts have not been audited because the company is entitled to the exemption provided by s249A(1) of the Companies Act 1985 and members have not required the company to obtain an audit of its accounts for the period in accordance with s249B(2).

The directors acknowledge their responsibilities for ensuring that:

- The company keeps accounting records which comply with section 221 of the Companies Act 1985, and
- The accounts give a true and fair view of the state of affairs of the company as at 31st December 2005 and of its profit for the year then ended in accordance with the requirements of section 226, and which otherwise comply with the requirements of the Companies Act 1985 relating to accounts, so far as applicable to the company.

The accounts have been prepared in accordance with the special provisions relating to small companies within Part VII of the Companies Act 1985 and with the Financial Reporting Standard for Smaller Entities (effective January 2005).

The accounts were approved by the board on 27th October 2006 and signed on its behalf by:

.....R J Middleton (Director)

NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31ST DECEMBER 2005

Accounting Policies

Basis of Accounting - The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005).

Depreciation - Fixed assets are depreciated at the following rates in order to write off the cost of the assets over their anticipated useful lives:

Motor vehicles	Reducing balance	25%
Plant and equipment	Reducing balance	25%

Operating Leases - Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged to profit and loss account as incurred.

Stock and Work in Progress - Stock and work in progress are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving items. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

Taxation - The charge for taxation is based on the result for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for accounting and taxation purposes. When applicable, provision is made for deferred tax only to the extent that it is probable that an actual liability will crystallise in the foreseeable future. Deferred taxation is measured on a non-discounted basis at the average tax rates that would apply when the timing differences are expected to reverse, based on tax rates and laws that have been enacted by the balance sheet date.

Pension Scheme - The company does not operate a pension scheme.
