NOTES TO THE ABBREVIATED ACCOUNTS **FOR THE YEAR ENDED 31 JANUARY 2011**

1 ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared on a going concern basis which assumes that the company will continue in operational existence for the foreseeable future. The validity of the assumption depends upon the continuing support of its director, with whom the company owes £302,470.

If the company were unable to continue in operational existence for the foreseeable future, adjustments would have to be made to reduce the Balance Sheet values of assets to their recoverable amounts and to provide for further liabilities that might arise, and to reclassify fixed assets and long term liabilities as current assets and liabilities.

The Director believes that it is appropriate for the financial statements to be prepared on a going concern basis.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Short leasehold	- Over term of lease
Plant and machinery	- 25% on reducing balance
Fixtures and fittings	- 25% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.
