NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 AUGUST 2022

1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is Castle House, 69 - 70 Victoria Street, Englefield Green, Egham, Surrey, TW20 OQX.

2. Statement of compliance

These financial statements have been prepared in compliance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

In accordance with their responsibilities, the directors have considered the appropriateness of the going concern basis for the preparation of the financial statements. For this purpose, the directors have considered the adequacy of the company's cash resources covering the period 12 months ahead of the approval of these financial statements. The directors have reasonable expectations that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason, the directors continue to adopt the going concern basis in preparing these financial statements.

Revenue recognition

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods supplied and services rendered, stated net of discounts and of Value Added Tax.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument. Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.
