**NOTES TO THE FINANCIAL STATEMENTS**  
**for the Year Ended 30 APRIL 2020**

**1. STATUTORY INFORMATION**

Alan Floyd Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

**2. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The company meets its day to day funding requirements through directors loan and current accounts. The directors have given an undertaking not to demand repayment of the loan account in the next twelve months. Therefore, the directors consider it appropriate to prepare the financial statements on a going concern basis on the grounds that the company will be able to meet its debts as they fall due for the foreseeable future and for at least the next twelve months.

**Turnover**

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc - 25% on reducing balance and 3 - 4 years straight line

**Government grants**

The company has adopted the accruals model for recognising government grants in accordance with paragraph 24 of Financial Reporting Standard 102.

Grants relating to revenue are recognised in income on a systematic basis over the period in which related costs are recognised.

Grants relating to assets are recognised in income on a systematic basis over the useful life of the asset.

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

**NOTES TO THE FINANCIAL STATEMENTS - continued**  
**for the Year Ended 30 APRIL 2020**

**2. ACCOUNTING POLICIES - continued**

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

**Training and marketing costs**

Training and marketing costs incurred have an ongoing benefit to the business in subsequent years. In the opinion of the directors the benefit endures for a period of five years and accordingly a proportion of all relevant costs incurred in any year plus overheads as appropriate are deferred and charged to profit and loss account over a five year period.

**3. EMPLOYEES AND DIRECTORS**

The average number of employees during the year was 2 (2019 - 2 ) .
