13.2 Statutory powers

The power of sale and other powers conferred by section 101 of the Act (as amended or extended by this Deed) shall be immediately exercisable upon and at any time after the occurrence of any Event of Default and for so long as such Event of Default is continuing.

13.3 Enforcement

After this Debenture Security has become enforceable, the Chargees may in its absolute discretion enforce all or any part of the Debenture Security in such manner as it sees fit.

14. ENFORCEMENT OF SECURITY

14.1 General

For the purposes of all rights and powers implied by statute, the Secured Obligations are deemed to have become due and payable on the date of this Deed. Sections 93 and 103 of the Act shall not apply to the Debenture Security.

14.2 Powers of leasing

The statutory powers of leasing conferred on the Chargees are extended so as to authorise the Chargees to lease, make agreements for leases, accept surrenders of leases and grant options as the Chargees may think fit and without the need to comply with section 99 or 100 of the Act.

14.3 Powers of the Chargees

- (a) At any time after this Debenture Security becomes enforceable (or if so requested by the Chargor by written notice at any time), the Chargees may without further notice (unless required by law):
 - (i) appoint any person (or persons) to be a receiver, receiver and manager or administrative receiver of all or any part of the Security Assets and/or of the income of the Security Assets; and/or
 - (ii) appoint or apply for the appointment of any person who is appropriately qualified as administrator of the Chargor; and/or
 - (iii) exercise all or any of the powers conferred on mortgagees by the Act (as amended or extended by this Deed) and/or all or any of the powers which are conferred by this Deed on a Receiver, in each case without first appointing a Receiver or notwithstanding the appointment of any Receiver; and/or
 - (iv) exercise (in the name of the Chargor and without any further consent or authority of the Chargor) any voting rights and any powers or rights which may be exercised by any person(s) in whose name any Charged Investment is registered or who is the holder of any of them; and/or
 - (v) may complete any instrument(s) of transfer for all or any Charged Securities on behalf of the Chargor in favour of itself or such other person as it may select.
- (b) The Chargees are not entitled to appoint a Receiver in respect of any Security Assets which are subject to a charge which (as created) was a floating charge solely by reason of a moratorium being obtained under the Insolvency Act 2000 (or anything done with a view to obtaining such a moratorium) in respect of the Chargor.

14.4 Redemption of prior mortgages

At any time after the Debenture Security has become enforceable, the Chargees may:

- (a) redeem any prior security against any Security Asset; and/or
- (b) procure the transfer of that Security Interest to itself; and/or

- (c) settle and pass the accounts of the holder of any prior Security Interest and any accounts so settled and passed shall be conclusive and binding on the Chargor.

All principal, interest, costs, charges and expenses of and incidental to any such redemption and/or transfer shall be paid by the Chargor to the Chargees on demand.

14.5 Privileges

- (a) Each Receiver and the Chargees are entitled to all the rights, powers, privileges and immunities conferred by the Act on mortgagees and receivers when such receivers have been duly appointed under the Act, except that section 103 of the Act does not apply.
- (b) To the extent that the Security Assets constitute "*financial collateral*" and this Deed and the obligations of the Chargor under this Deed constitute a "*security financial collateral arrangement*" (in each case for the purpose of and as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No. 3226)) each Receiver and the Chargees shall have the right after this Security Interest has become enforceable to appropriate all or any part of that financial collateral in or towards the satisfaction of the Secured Obligations.
- (c) For the purpose of clause 14.5(b), the value of the financial collateral appropriated shall be such amount as the Receiver or the Chargees reasonably determine having taken into account advice obtained by it from an independent investment or accountancy firm of national standing selected by it.

14.6 No liability

- (a) Neither Chargee nor any Receiver shall be liable (i) in respect of all or any part of the Security Assets or (ii) for any loss or damage which arises out of the exercise or the attempted or purported exercise of, or the failure to exercise any of, its or his respective powers (unless such loss or damage is caused by its or his gross negligence or wilful misconduct).
- (b) Without prejudice to the generality of clause 14.6(a), neither Chargee nor any Receiver shall be liable, by reason of entering into possession of a Security Asset, to account as mortgagee in possession or for any loss on realisation or for any default or omission for which a mortgagee in possession might be liable.

14.7 Protection of third parties

No person (including a purchaser) dealing with the Chargees or any Receiver or Delegate will be concerned to enquire:

- (a) whether the Secured Obligations have become payable; or
- (b) whether any power which the Chargees or the Receiver is purporting to exercise has become exercisable; or
- (c) whether any money remains due under any Finance Document; or
- (d) how any money paid to the Chargees or to the Receiver is to be applied.

15. RECEIVER

15.1 Removal and replacement

The Chargees may from time to time remove any Receiver appointed by it (subject, in the case of an administrative receivership, to section 45 of the Insolvency Act 1986) and, whenever it may deem appropriate, may appoint a new Receiver in the place of any Receiver whose appointment has terminated.

15.2 Multiple Receivers

If at any time there is more than one Receiver of all or any part of the Security Assets and/or the income of the Security Assets, each Receiver shall have power to act individually (unless otherwise stated in the appointment document).

15.3 Remuneration

Any Receiver shall be entitled to remuneration for his services at a rate to be fixed by agreement between him and the Chargees (or, failing such agreement, to be fixed by the Chargees).

15.4 Payment by Receiver

Only monies actually paid by a Receiver to the Chargees in relation to the Secured Obligations shall be capable of being applied by the Chargees in discharge of the Secured Obligations.

15.5 Agent of Chargor

Any Receiver shall be the agent of the Chargor. The Chargor shall (subject to the Companies Act 2006 and the Insolvency Act 1986) be solely responsible for his acts and defaults and for the payment of his remuneration. The Chargees shall incur no liability (either to the Chargor or to any other person) by reason of the appointment of a Receiver or for any other reason.

16. POWERS OF RECEIVER

16.1 General powers

Any Receiver shall have:

- (a) all the powers which are conferred on the Chargees by clause 14.3 (*Powers of the Chargees*);

- (d) all powers which are conferred by any other law conferring power on receivers.

16.2 Additional powers

In addition to the powers referred to in clause 16.1 (*General powers*), a Receiver shall have the following powers:

- (a) to take possession of, collect and get in all or any part of the Security Assets and/or income in respect of which he was appointed;
- (b) to manage the Security Assets and the business of the Chargor as he thinks fit;
- (c) to redeem any Security Interest and to borrow or raise any money and secure the payment of any money in priority to the Secured Obligations for the purpose of the exercise of his powers and/or defraying any costs or liabilities incurred by him in such exercise;
- (d) to sell or concur in selling, leasing or otherwise disposing of all or any part of the Security Assets in respect of which he was appointed without the need to observe the restrictions imposed by section 103 of the Act and without limitation:
 - (i) fixtures may be severed and sold separately from the Real Property containing them, without the consent of the Chargor;
 - (ii) the consideration for any such transaction may consist of cash, debentures or other obligations, shares, stock or other valuable consideration (and the amount of such consideration may be dependent upon profit or turnover or be determined by a third party); and
 - (iii) any such consideration may be payable in a lump sum or by instalments spread over such period as he thinks fit;
- (e) to alter, improve, develop, complete, construct, modify, refurbish or repair any building or land and to complete or undertake or concur in the completion or undertaking (with or without modification) of any project in which the Chargor was concerned or interested before his appointment (being a project for the alteration, improvement, development, completion, construction, modification, refurbishment or repair of any building or land);
- (f) to carry out any sale, lease or other disposal of all or any part of the Security Assets by conveying, transferring, assigning or leasing the same in the name of the Chargor and, for that purpose, to enter into covenants and other contractual obligations in the name of, and so as to bind, the Chargor;
- (g) to take any such proceedings (in the name of the Chargor or otherwise) as he shall think fit in respect of the Security Assets and/or income in respect of which he was appointed (including proceedings for recovery of rent or other monies in arrears at the date of his appointment);
- (h) to enter into or make any such agreement, arrangement or compromise as he shall think fit;
- (i) to insure, and to renew any insurances in respect of, the Security Assets as he shall think fit (or as the Chargee shall direct);

- (j) to appoint and employ such managers, officers and workmen and engage such professional advisers as he shall think fit (including, without prejudice to the generality of the foregoing power, to employ his partners and firm);
- (k) to form one or more Subsidiaries of the Chargor, and to transfer to any such Subsidiary all or any part of the Security Assets;
- (l) to operate any rent review clause in respect of any Real Property in respect of which he was appointed (or any part thereof) and to apply for any new or extended lease; and
- (m) to:
 - (i) give valid receipts for all monies and to do all such other things as may seem to him to be incidental or conducive to any other power vested in him or necessary or desirable for the realisation of any Security Asset;
 - (ii) exercise in relation to each Security Asset all such powers and rights as he would be capable of exercising if he were the absolute beneficial owner of the Security Assets; and
 - (iii) use the name of the Chargor for any of the above purposes.

17. APPLICATION OF PROCEEDS

17.1 Application

All monies received by the Chargee or any Receiver after the Debenture Security has become enforceable shall (subject to the rights and claims of any person having a security ranking in priority to the Debenture Security) be applied in the following order:

- (a) *first*, in satisfaction of, or provision for, all costs, charges and expenses incurred, and payments made by the Chargee or any Receiver or Delegate under or in connection with this Deed or the Security Assets and of all remuneration due to the Receiver in connection with this Deed or the Security Assets;
- (b) *secondly*, in or towards satisfaction of the remaining Secured Obligations in accordance with clause 17.3 (*Appropriation and suspense account*); and
- (c) *thirdly*, in payment of any surplus to the Chargor or other person entitled to it.

17.2 Contingencies

If the Debenture Security is enforced at a time when no amounts are due to it (but at a time when amounts may become so due), the Chargees or a Receiver may pay the proceeds of any recoveries effected by it into a blocked suspense account.

17.3 Appropriation and suspense account

- (a) Subject to clause 17.1 (*Application*), the Chargees shall apply all payments received in respect of the Secured Obligations in reduction of any part of the Secured Obligations in any order or manner which it may determine.
- (b) Any such appropriation shall override any appropriation by the Chargor.

- (c) All monies received, recovered or realised by the Chargees under or in connection with this Deed may at the discretion of the Chargees be credited to a separate interest-bearing suspense account for so long as the Chargees determine (with interest accruing thereon at such rate (if any) as the Chargees may determine without the Chargees having any obligation to apply such monies and interest or any part of it in or towards the discharge of any of the Secured Obligations unless such monies would clear all Secured Obligations in full).

18. SET-OFF

- (a) The Chargees may (but shall not be obliged to) set off any obligation which is due and payable by the Chargor and unpaid (whether under the Finance Documents or which has been assigned to the Chargees) against any obligation (whether or not matured) owed by the Chargees to the Chargor, regardless of the place of payment or currency of either obligation.
- (b) At any time after the Debenture Security has become enforceable (and in addition to its rights under clause 18(a)), the Chargees may (but shall not be obliged to) set-off any contingent liability owed by the Chargor (whether under the Finance Documents or which has been assigned to the Chargees) against any obligation (whether or not matured) owed by the Chargees to the Chargor, regardless of the place of payment or currency of either obligation.
- (c) If the obligations are in different currencies, the Chargees may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.
- (d) If either obligation is unliquidated or unascertained, the Chargees may set off in an amount estimated by it in good faith to be the amount of that obligation.

19. DELEGATION

Each of the Chargees and any Receiver may delegate, by power of attorney (or in any other manner) to any person, any right, power or discretion exercisable by them under this Deed upon any terms (including power to sub-delegate) which it may think fit. Neither the Chargees nor any Receiver shall be in any way liable or responsible to the Chargor for any loss or liability arising from any act, default, omission or misconduct on the part of any Delegate.

20. FURTHER ASSURANCES

20.1 Further action

The Chargor shall, at its own expense, immediately do all acts and execute all documents as the Chargees or a Receiver may reasonably specify (and in such form as the Chargees or a Receiver may reasonably require) for:

- (a) creating, perfecting or protecting the Security Interest intended to be created by this Deed; and
- (b) facilitating the realisation of any Security Asset or the exercise of any rights, powers and remedies exercisable by the Chargees, or any Receiver or any Delegate in respect of any Security Asset or by law;

- (c) creating and perfecting any Security Interest in favour of the Chargees over any property and assets of the Chargor located in any jurisdiction outside England and Wales equivalent or similar to the Security Interest intended to be created by or pursuant to this Deed or any other Security Interest.
- (d) This includes:
 - (i) the re-execution of this Deed or such other Security Interest;
 - (ii) the execution of any legal mortgage, charge, transfer, conveyance, assignment, assignation or assurance of any property, whether to the Chargees or to its nominee; and
 - (iii) whether to the Chargees or to its nominees, the giving of any notice, order or direction and the making of any filing or registration,

which, in any such case, the Chargees may think expedient.

20.2 Specific security

Without prejudice to the generality of clause 20.1 (*Further action*), the Chargor will immediately upon request by the Chargees execute any document contemplated by that clause over any Security Asset which is subject to or intended to be subject to any fixed security under this Deed (including any legal charge in respect of any Real Property and any fixed security arising or intended to arise pursuant to clause 7 (*Conversion of floating charge*)).

21. POWER OF ATTORNEY

The Chargor, by way of security, irrevocably and severally appoints the Chargees, each Receiver and any Delegate to be its attorney to take any action which the Chargor is obliged to take under this Deed, including under clause 20 (*Further assurances*). The Chargor ratifies and confirms whatever any attorney does or purports to do pursuant to its appointment under this clause.

22. PAYMENTS

Subject to clause 23 (*Gross-Up*), all payments to be made by the Chargor in respect of this Deed shall be made:

- (a) in immediately available funds to the credit of such account as the Chargees may designate; and
- (b) without (and free and clear of, and without any deduction for, or on account of) any set-off or counterclaim, or except to the extent compelled by law, any deduction or withholding for or on account of tax.

23. GROSS-UP

If the Chargor is compelled by law to make any deduction or withholding from any sum payable under this Deed to the Chargees, the sum so payable by the Chargor shall be increased so as to result in the receipt by the Chargees of a net amount equal to the full amount expressed to be payable under this Deed.

24. STAMP DUTY LAND TAX AND OTHER TAXES

The Chargor shall pay all present and future stamp, registration and similar taxes or charges which may be payable, or determined to be payable, in connection with the execution, delivery, performance or enforcement of this Deed or any judgment given in connection therewith and indemnify the Chargees and any Receiver on demand against any and all costs, losses or liabilities (including penalties) with respect to, or resulting from, its delay or omission to pay any such stamp, registration and similar taxes or charges.

25. COSTS AND EXPENSES

25.1 Transaction and amendment expenses

The Chargor shall promptly on demand pay to the Chargees the amount of all reasonable costs, charges and expenses (including legal fees, valuation, accountancy and consultancy fees (and any VAT or similar tax thereon)) incurred by the Chargees in connection with (a) the negotiation, preparation, printing, execution, registration, perfection and completion of this Deed, the Security Interests or any document referred to in this Deed; or (b) any actual or proposed amendment or extension of, or any waiver or consent under, this Deed.

25.2 Enforcement and preservation costs

The Chargor shall promptly on demand pay to the Chargees and any Receiver the amount of all costs, charges and expenses (including legal fees (and any VAT or similar tax thereon)) incurred by any of them in connection with the enforcement, exercise or preservation (or the attempted enforcement, exercise or preservation) of any of their respective rights under this Deed, the Security Interests or any document referred to in this Deed (including all remuneration of the Receiver).

25.3 Default interest

Any amount demanded under clause 25.1 (*Transaction and amendment expenses*) or 25.2 (*Enforcement and preservation costs*) shall bear interest at the Default Rate (both before and after judgment) from the day on which those costs, charges or expenses were paid, incurred or charged by the relevant person and otherwise in accordance with clause 3.1 (*Default interest*).

26. INDEMNITY

The Chargor shall indemnify the Chargees, any Receiver and any attorney, agent or other person appointed by the Chargees under this Deed and the Chargees' officers and employees (each an "**Indemnified Party**") on demand against any cost, loss, liability or expense (however arising) incurred by any Indemnified Party as a result of or in connection with:

- (a) anything done or omitted in the exercise or purported exercise of the powers contained in this Deed;
- (b) the Security Assets or the use or occupation of them by any person; or
- (c) any breach by the Chargor of any of its obligations under this Deed.

If it does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received such notice.
- (b) As from that time all payments made to the Chargees will be credited or be treated as having been credited to the new account and will not operate to reduce any amount of the Secured Obligations.

30. PROTECTIVE CLAUSES

The obligations of the Chargor under, and the security intended to be created by, this Deed shall not be impaired by any forbearance, neglect, indulgence, extension or time, release, surrender or loss of securities, dealing, amendment or arrangement by the Chargee which would otherwise have reduced, released or prejudiced this Debenture Security or any surety liability of the Chargor (whether or not known to it).

31. NOTICES

33. PARTIAL INVALIDITY

All the provisions of this Deed are severable and distinct from one another and if at any time any provision is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of any of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

34. REMEDIES AND WAIVERS

No failure to exercise, nor any delay in exercising, on the part of the Chargees, any right or remedy under this Deed shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise, or the exercise of any other right or remedy. The rights and remedies provided are cumulative and not exclusive of any rights or remedies provided by law.

35. AMENDMENTS AND WAIVERS

Any provision of this Deed may be amended only if the Chargees and the Chargor so agree in writing and any breach of this Deed may be waived before or after it occurs only if the Chargees so agree in writing.
